Safe in China

"Do not be worried about us. At present we are in no danger whatever. There is no probability that there will be any trouble in Shansi." Such is the latest message from the Rev. and Mrs. Paul R. Reynolds, Winnetka Congregational church representatives at Senchow Shansi, China. The above photograph of Mr. and Mrs. Reynolds was taken in Winnetka before they left for the foreign field several years ago. They expect to return home on furlough this summer.
