

## PROLONG COMMUNITY HOUSE FUND CAMPAIGN

### Governors Urge Subscribers Not to Delay With Their Pledges for 1927 Budget

The Governors of Community House have asked the WINNETKA TALK to announce that upwards of \$5,000 for 1927 maintenance has been pledged by a considerable number of both old and new subscribers.

There are still many regular contributors to Community House support, who have not sent in their pledges for this year. The Governors believe this is a matter of oversight rather than lack of interest, inasmuch as Community House is being used more intensively than ever before. They are anxious to avoid organizing a personal campaign, as they feel that the backing for the annual support of Community House is very strong and very widely spread.

#### Any Amount Welcome

Former subscribers are, therefore, urged to send in their pledges indicating the time at which they will make their subscriptions. Those who have not formerly subscribed for the annual maintenance of Community House, are assured that any amount, small or large, will be received gratefully by the finance committee.

The request comes from the finance committee of the board, consisting of George D. Wolf, treasurer, A. E. Bryson, Harry N. Gottlieb, and S. Bowles King, chairman. Pledges or checks should be made out to Community House and mailed to Mrs. J. D. Pierce, assistant treasurer, at Community House, Winnetka.

## Northbrook to Put Destiny Into New Hands Next Week

As soon as the estimate is received, a public hearing will be called on the matter.

## Thirty New Members Boost Legion Roll to New Mark; 170

At Monday's meeting of Winnetka post No. 10 American Legion, Membership Chairman Howell reported thirty new members added to the roll, to date. The post now has 170 paid-up members, and it is hoped that the promise of 200 members for 1927 made to State Commander Watkins may be realized by Memorial day. The officers and members are working hard toward that end.

All visiting and new resident ex-service men are cordially invited to attend post meetings, which are held on the first and third Mondays of each month.

Final plans for "Legion Frolic," to be held April 18, at the Winnetka Women's club have been made. Those who attend are promised an evening of real joy.

The first meeting of the post in May is to be an unusually interesting one. There will be initiation of new members. Movies will also be shown of the Legion Orphans' home and the Philadelphia convention. The Legion film, "Carrying On," also will be exhibited.

The monthly meeting of the Winnetka Chamber of Commerce will be held next Monday evening, at which time directors for the new year beginning May 1 will be elected, following which officers will be chosen from the ten new directors.

At this meeting the committee composed of H. W. Paulson, Harry Roberts, and John Brady will make its recommendation as to whether the Chamber of Commerce should purchase suits for the Winnetka baseball team.

The Illinois Chamber of Commerce is holding district conferences at each of the six districts in the state sometime during the year. The fifth district will hold its conference April 12 at Masonic temple, Waukegan. The matter of sending representatives from the Winnetka Chamber to this meeting will be taken up at the session Monday evening.

The business meeting Monday evening will be preceded by the usual seven o'clock dinner. Excellent dinners are being served at these meetings and the attendance is good. The sessions are held at Community House, and the Chamber officers are especially desirous that there be a large attendance at the coming session to assist in the selection of new officers.

## LEAGUE OF VOTERS TO HOLD ANNUAL MEETING

### Child Welfare Department Will Have Charge of Program for Meeting on April 11

The annual meeting of the Winnetka League of Women Voters will be held April 11 at the Community House. Mrs. William Gold Hibbard, national director of the fourth region, will give greetings from the national league. Mrs. Maurice Lieber, legislative chairman, will report on the work of the legislature. Mrs. John N. VanderVries, president of Winnetka league, will give her annual message. A summary of the year's work will be distributed at each place, instead of having the committees' reports read.

The program will be under the child welfare committee, of which Mrs. Charles R. Strong is chairman. Miss Anne Davis, of the vocational guidance department of the Chicago public schools, will be the speaker of the day. Because of her experience, it is believed that she will be able to treat this subject well. The welfare work in the league is for the benefit of future Illinois citizens.

#### Ill-Educated Lose Out

There is a vicious circle of work beginning for those who leave school at sixth grade and who have temporary relief from poverty, to reach adulthood ignorant, lacking further opportunity and begin the labor again with the new generation. The child welfare committee believes that at least eighth grade education should be required.

Twenty-seven organizations, such as the Chicago Woman's club; the Illinois Council of Parent-Teacher Associations, and the League of Women Voters, is back of this movement. From statistics it has been proven that the child who goes through college and begins work at 22, earns three times as much as one who does not go to college. We should be interested in protecting the children of Illinois from conditions that other states do not endure.

#### Nominate Officers

The nominating committee of the league presents the following nominees for office for the new year: president, Mrs. John Vander Vries; first vice-president, Mrs. A. Montague Ferry; second vice-president, Mrs. George E. Frazer; corresponding secretary, Mrs. John R. Montgomery; recording secretary, Mrs. D. Blyth Grasett; and precinct chairmen: fourth, Mrs. Joseph R. Graff; fifth, Mrs. George L. Friestedt; sixth, Mrs. I. M. Portis; seventh, Mrs. Howard Shaw; eighth, Miss Caroline Eckstrom; ninth, Mrs. John Hamilton; tenth, Mrs. Frances Lackner; eleventh, Mrs. Hymen Racilin; 24th, Mrs. William G. Kelley; and 25th, Mrs. J. D. Wigglesworth. The committee was made up of Mrs. William A. Otis, Mrs. John R. Montgomery, and Mrs. Edwin E. Brown.
