Where A Man's A Man

A glimpse of the famous IXL ranch, located near Dayton, Wyoming, which was purchased recently by Harry B. Boardman of Glencoe. The country 'round about was the scene of several of the worst white and Indian battles of history, among them being the Custer massacre which occurred on June 25, 1876.

Manus Paving Projects to Be in Progress Soon

Work is to start very soon, it is said, on the street paving in the Manus Indian Hill subdivision where so many new residences are being built this spring.

The contract for the paving was awarded by the Village board of Local Improvements, at its meeting Tuesday evening, to the Western Improvement company, of Racine, Wis., for \$26,657.-85, which represented the lowest of four bids received.

There were present at the meeting Tuesday evening, representatives of

the cement finishers' union who objected to the board's awarding of the contract as it did on the grounds that the Racine firm does not employ union labor.

The board, however, took the position that, under the law, it had no other alternative, the successful firm being the lowest responsible bidder, which the law specifies shall receive the contract.

CIRCLE TO MEET

The Hawthorn Lane circle will meet Tuesday, April 12, at 2 o'clock, with Mrs. Arthur Klein of 369 Hawthorn lane.
