## "CORPORAL'S GUARD" AT TOWNSHIP SESSION

### Treasurer's Report Shows Size-able Balance of Town Funds; Introduce Resolutions

While the polling places throughout New Trier township where various village elections were in progress were being thronged with people determined that their favored candidates or project might win the coveted favor, the annual Town meeting held at Community house, Winnetka, at 2 o'clock, Tuesday afternoon, could barely muster a sufficient number to transact the important scheduled for consideration at that time.

The meeting was called to order by Mrs. Gertrude M. Thurston, supervisor and treasurer of New Trier township. J. A. Williams, assistant village manager of Glencoe and representing H. H. Sherer, Township Highway commissioner, was elected moderator and Mrs. Thurston, clerk.

#### Hear Officers' Report

Reports of the supervisor and treasurer were submitted and approved. The former showed total receipts of \$34,623.68, including a balance on hand March 30, 1926, of \$14,635.82. The total disbursements for the year were \$12,112.52, leaving a balance on hand at the close of March 30, 1927, of \$22,511.16.

showed total receipts for the year of \$54,302.17, including a balance on hand March 30, 1926 of \$15,993.31. The expenditures during the year were \$41,364.56, leaving a balance on hand March 30, 1927, of \$12,937.61. There is also on hand an additional \$10,000 in certificate of deposit, making the total on hand, \$22,937.61.

A resolution introduced by B. F. Langworthy provided for the appointment of a committee comprising Sanborn Hale, J. A. Williams and H. H. Sherer, to take up the matter with the Probate court, to obtain, if possible, a modification of an order which would provide that money deposited to secure payment of personal property taxes due from estates, may be paid to the township collector.

#### Would Increase Collections Locally

Another resolution introduced by Mr. Langworthy expressed as the sense of the meeting that Sanborn Hale, township tax collector, be instructed to confer with the Township Board of Auditors with the object in view of finding ways and means to make it possible for the collector to increase the amount of tax collections made by him.

The Town meeting also recommended that the Board of Auditors approve the payment of \$50 a month for the use of the Supervisor's car in township work, in lieu of taxi fare and other costs of transportation, and that in view of the legality of such proceedings being in question, that an opinion on the same be obtained from the office of the State's attorney.

Those present at the meeting were Mrs. Gertrude M. Thurston, J. A. Williams, B. F. Langworthy, Sanborn Hale, F. L. Streed, John J. Peters, Paul Hoffman and William J. Carey.

Richard Johnston, son of Mr. and Mrs. Richard C. Johnston of 321 Melrose avenue, Kenilworth returned April 1, from Dartmouth college. He will go back Sunday.

John N. VanderVries of 968 Pine street, Winnetka left Wednesday night to spend a week in Atchison, Kas., and Iowa City, Iowa. In both places he will address the chambers of commerce.

## PARENTS TRY SCHOOL

### New Trier High School Parent-Teacher Association Arranges Novel Session for Parents

Class rooms at New Trier took on a rather elderly and dignified aspect Tuesday, as the parents coming from all over the North Shore, gathered together for another try at "school days, school days, dear old golden rule days" and to listen to the modern minions of education explain the whys and where-fors of Scott's "Lady of the Lake" and the reason for the wane of popularity of "amo, amas, amat."

It was the annual meeting of the New Trier Parent-Teacher association and promptly at 3 o'clock the classes for the parents started. Now and then a tardy papa or mama, (who, no doubt, had lectured upon occasion on that very subject) made a shame-faced trip to the office for a "blue tardy permit" from the registrar before they gained entrance to the class. "The trials of higher education," as one remarked.

In the classes the parents had an opportunity to discuss with the teachers their children's work, the problems confronting each individual and the teacher's reaction to the way in which the student handled his work. Special exhibits were displayed in various rooms presenting the work of the pupils in art and drawing, stage-craft, mineralogical displays, ornithological exhibits etc. A swimming exhibition was given in the school tank and students were at work in the various laboratories so that the guests might visualize more clearly the actual procedure in the different departments. The school session was closed with a supper served in the cafeteria.

In the evening, the annual meeting of the P. T. A. was held and officers for 1927-28 elected. The officers selected are as follows: President, A. E. Philbrick, of Winnetka; Vice President, Mrs. T. E. Lannen, of Wilmette; Secretary, Mrs. W. V. Schnur, of Glencoe. Committee chairmen: Senior section, Mrs. J. M. Sheldon, of Glencoe; Junior section, Mrs. Burt Crowe, of Kenilworth; and Sophomore section, Mrs. W. R. English. The chairman for the Freshman section will be appointed next fall.

Immediately following the business meeting of the association, one of the Yale historical films, "Winning of the West" was shown.

Mrs. Sydney Y. Ball of Indian Hill entertained her bridge club on Wednesday.
