Beauty Lies in Healthy EYES

It's not so much the size or color of the EYES that makes them beautiful. Rather, it's the glow which radiates from them. Unless kept always clean and healthy, EYES lack this alluring lustre.

Millions of women throughout the world promote EYE health and beauty with Murine. It cleanses EYES of irritating particles and keeps them clear and bright. Contains no belladonna.

Our illustrated books on "Eye Care" or "Eye Beauty" are FREE on request.

A convenient and enjoyable means of group travel to points in all directions is afforded by the comfortable motor coaches of the North Shore Line. The chartering of motor coaches grows continually in popularity. "The trip was made most enjoyable by the comforts of the coach together with the courtesy and constant thoughtfulness of your driver", writes Lorin J. Cahn, Highland Park, a member of a motor coach party travelling from Highland Park to Rockford, a party representing the American Legion Posts of North Chicago, Highland Park and Lake Forest. This letter is typical of those constantly being received. For information about chartered motor coach service, address J. M. Michaels, Ass't Gen. Pass. Agt., North Shore Line, 79 W. Monroe St., Chicago, Ill.

Service that makes MILWAUKEE a next door neighbor!

IT WASN'T so many years ago that North Shore towns had less frequent transportation service to Chicago, at many hours of the day, than they now enjoy, all day long, to Milwaukee!

That may seem surprising, but it's true nevertheless. Today, on the North Shore Line, there is service every hour to Milwaukee. Limited trains from here make comfortable connections with fast Milwaukee trains at North Chicago Junction.

No matter what time of day you want to go—morning, afternoon or evening—the same hourly service is available to you. North Shore Line takes you direct to the heart of Milwaukee's business district—Sixth and Sycamore—saving you time and taxi fare.

Go this fast, clean, smokeless way. Dining cars at meal times on Milwaukee trains; parlor-observation cars at scheduled hours. All Milwaukee trains stop at Kenosha and Racine.

Those desiring to take Milwaukee trains from Chicago will find our Loop Station (Adams and Wabash) and our North Side Stations (Grand Ave., Wilson Ave., or Howard St.) a real convenience. All Milwaukee trains stop at these stations.
