Contract Let for Construction of Winnetka Memorial

Trustees of the Winnetka Memorial announce that the general contract for its construction on the village green was let on April 13, and work will be begun at once.

It is hoped that the laying of the cornerstone can take place on Decoration day, and the dedication on Armistice day.

The trustees will appreciate it if those who have subscribed and have not yet sent in their contributions will do so at once, now that the work is actually under way.

It should be a source of satisfaction to every citizen, both on account of the beauty of the design and the fact that the sacrifice of our gold star men will at last be fittingly recorded.

Three Cars Crash on Church Rd.; Driver of One Is in Hospital

Louis Harpig, of Niles Center, driver of a Ford truck owned by the French Laundry, of Evanston, was removed to the Evanston hospital Wednesday evening suffering from a broken rib, a cut on the face and severe injury to his knee, as the result of a three car accident, at Church and Hill roads, Winnetka.

The accident occurred at 9:30. Harpig was driving south when he collided with a Buick sedan, in charge of William Carter, colored, of 2102 Hebron avenue, Zion City, and which was parked in front of No. 142 Church road.

The third car in the wreck was also a Ford truck driven north by Eli Krajacic, of 946 Elm street, Winnetka, who was passing at the time of the crash. The Harpig truck tipped over on the Krajacic truck, damaging the left front fender and steering rod of the latter. Krajacic escaped injury.

The rear fender of the Buick car was torn off and the axle and spring, break rod and left rear tire were also damaged.

Sergeant Ed Cummings and Officer Rhys Fudge, of the Winnetka police department, reported the accident.
