

### Kenilworth Voters to Formally Approve Candidates Tuesday

Formal approval of the nominees for the Village board will be given by the residents of Kenilworth next Tuesday when they attend the polls to cast ballots in the village election. As in the case of the recent school elections, the vote will be merely a formality as none of the candidates were opposed.

In the caucus held on April 3 at the home of Frank R. Young, 333 Cumnor road, Ralph R. Hawxhurst was selected for the presidency of the board and Alexander M. Lovedale, Harold O. Barnes, Leslie McArthur and Arthur B. Adair for trustees. George R. Rothermel was selected as candidate for police magistrate. The petition was filed with the Village clerk the following day and as no other petitions were filed, the nominees will be installed in their offices immediately following the election.

Miss Helen Aldrich, daughter of the P. J. Aldriches of 394 Chestnut street, was home from Ferry hall for vacation a week ago. Mr. and Mrs. Aldrich are in California, where they have been spending a month.

John Atwood, son of Mr. and Mrs. Burton Atwood of 839 Elm street, was one of the members of New Trier Glee club who went to Springfield this week to sing in the chorus for the music supervisors' convention.

### Mrs. Edward MacDowell Honored at Reception

Members of the North Shore MacDowell society attended the reception in honor of Mrs. Edward MacDowell given Wednesday evening by the north shore society and the Chicago MacDowell society. The reception was given at the home of Mrs. Albert J. Ochsner, 2106 Sedgwick street, Chicago.

Mrs. MacDowell, who continued the work of developing Peterboro colony after the death of her husband, the composer, talked to members and guests on this workshop in New Hampshire for creative workers in the arts. The colony is a realization of the dream of MacDowell, who worked during his lifetime to develop it.

Members of the Evanston society were represented. Keith Preston is president of that group, Frank Ambler, of the north shore group, and Rossetter G. Cole, of the Chicago society.

Mrs. Burton H. Atwood has just received a cable from her sister, Mrs. A. A. Seibert of Sidney, Australia, saying that Mr. and Mrs. Seibert and their children, Margaret and James, will reach California May 13, and will come from there to Winnetka for a visit of several months.

Mr. and Mrs. William D. McKenzie and their son, Roderick, of 1185 Laurel avenue, have returned from Ormond, Fla., where they spent three weeks.
