GAS—THE CAREFREE FUEL

Your local gas company can take over that irksome job of heating your home and relieve you of all furnace tending bothers.

Gas heating is absolutely carefree. With a good, automatic gas heating plant in the basement of your home, you can let your pup be furnace man! That's all the furnace tending you'll need.

Most gas companies are now able to offer you this luxurious heating service at a cost that the average home owner can afford.

Complete information of the trouble-free heating which gas can bring to your home, is given in our new gas house-heating booklet. Write for a copy—or, if there is a Bryant office listed in your local telephone directory, simply 'phone them.

YOUR PUP CAN BE FURNACE MAN

Gas Heating's cleanliness transforms the basement into a dust-free usable part of the house. Its automatic operation frees you from all furnace tending bothers and annoyances. Temperatures are maintained within a single thermometer measured degree without even a thought of attention for days and weeks at a time.
