Ralph Morphett to Speak at the Community House

On Sunday morning, April 24, at 9:30 o'clock in the American Legion room of Community House, Ralph Morphett will speak on the life and work of Dwight L. Moody.

Mr. Morphett, who has made a prolonged study of Moody and his work, considered that the influence of this man on the Anglo-Saxon peoples on both sides of the Atlantic has been of tremendous importance and promises a most interesting discussion. O. L. Simpson will speak briefly on a special subject. All men and women interested are invited to attend this meeting.

On the following Sundays, May 1 and 8, at the same hour and place, William Ayer McKinney will tell of the progress to date of the Speedomat Industrial Christianization plan, a tentative outline of which he gave before a group of men of the Congregational church in the spring of 1926.

Pry Open Baseball Lid Tomorrow Over on Playfield Lot

The Winnetka baseball team will again resume the limelight this Sunday on the Playfield diamond when it engages the Washington Park Blues of Evanston. As this is the first game of the season it has been agreed upon that both teams substitute freely.

The lineup as Manager Earl Flynn has given it, includes practically the same men who finished the season last year. Earl Smith, the Winnetka slab artist, and the gentleman who boasts a record of ten strikeouts per game last season, will again be on the rubber this summer. The illustrious "China" Rudolph, and "Larry" Knox will again battle for the guardianship of the initial sack.

George Dahl, the boy who played errorless ball all last summer, will be much in evidence around second base again this season. Flynn announces that a new face will shine forth from the short-stop position. To satisfy your curiosity, he says, be at the game tomorrow. "Fid" Runnfeldt, made-over left fielder, will cavort about the territory of third base.

A large number of outfielders have reported so far, and from these Flynn says he has a healthy lot of sluggers, as well as expert fly-chasers. Frank Hohlfelder, Bill Schroeder, Money Rudolph, Morry Thomas, Bill Blow, George Brown, and Bob Burmeister, comprise the lot.

The catching job, although not definitely decided upon, will probably assigned to Bob Burmeister.

Manager Flynn extends a cordial welcome to all young or old aspiring amateur athletes to try out for the club. Either report at next Sunday's game, or call Winnetka 223 and arrange for a try out, he says.

Mr. and Mrs. S. H. Browell of 852 Oak street will move May 1, to Santa Monica, Cal. to live there for two years. Mr. Browell plans to retire from business for this two year period. They have rented the Oak street house to the DeWitt Stillman family of Joliet.
