## If You're Building—or Refinancing— On This Map

MONEY TO LOAN—ready cash for prompt use is an important part of the North Shore and North Side real estate business which Quinlan & Tyson have been building for 43 years.

Many builders and owners come to us regularly as they undertake new construction projects, because they have found that Quinlan & Tyson know and appreciate values throughout the North Shore—and can give a prompt decision on a loan through this experience and their close-coupled organization.

Our experience in financing, managing and selling North Shore property can be of value to you. If you have a loan coming due, let us help you plan the refinancing of it; and if you are planning a new building, we will gladly help you complete your arrangements and provide your first mortgage funds.
