

Canterbury Court, Lake Front Estate, Is Placed on Sale

Lake front property valued at close to half a million was subdivided and placed on sale through the real estate firm of Baird and Warner this week. The subdivision, known as Canterbury court, lies at the extreme northeastern corner of Evanston and the extreme southeastern corner of Wilmette. It is one of the few remaining undeveloped pieces of lake front property with riparian rights in this vicinity. It extends for about 400 feet along Sheridan road and has a depth of about 700 feet to the lake.

Albert E. Cross, owner, who is reserving his own home at 336 Sheridan road, Wilmette, and a plot of ground around it, is placing the property on the market. He is offering through Baird and Warner nine lots each of which fronts on a private street called Canterbury court, and each of which because of the gently rolling slope of the property has a full view of the lake.

Building restrictions which are designed to establish a high standard residential development include the elimination of coal as fuel in the homes and the requirement that each house be provided with an incinerator. Telephone and electric light wires will be underground.

The property was originally the Gates homestead. Mr. Cross purchased it three years ago for \$225,000.

TRAIN LIFE SAVERS

Last year the Chicago Chapter of the Red Cross trained, examined, and passed 3,122 senior life savers and 4,113 juniors, a twenty per cent increase over the number for the previous year, and a United States record for the most extensive work done in life saving.

During 1926 Illinois produced oil valued at \$15,000,000 at the wells.

Beauty Lies in Healthy EYES

It's not so much the size or color of the EYES that makes them beautiful. Rather, it's the glow which radiates from them. Unless kept always clean and healthy, EYES lack this alluring lustre.

The elegance and beauty of a Permanent Wave is dependent on the artistic efficiency of the waver and not on any of the chemical processes or machines.

Highly advertised machines, low prices and misleading promises are no assurance for a successful wave, neither are they any protection against burning, brittling and discoloring the hair.

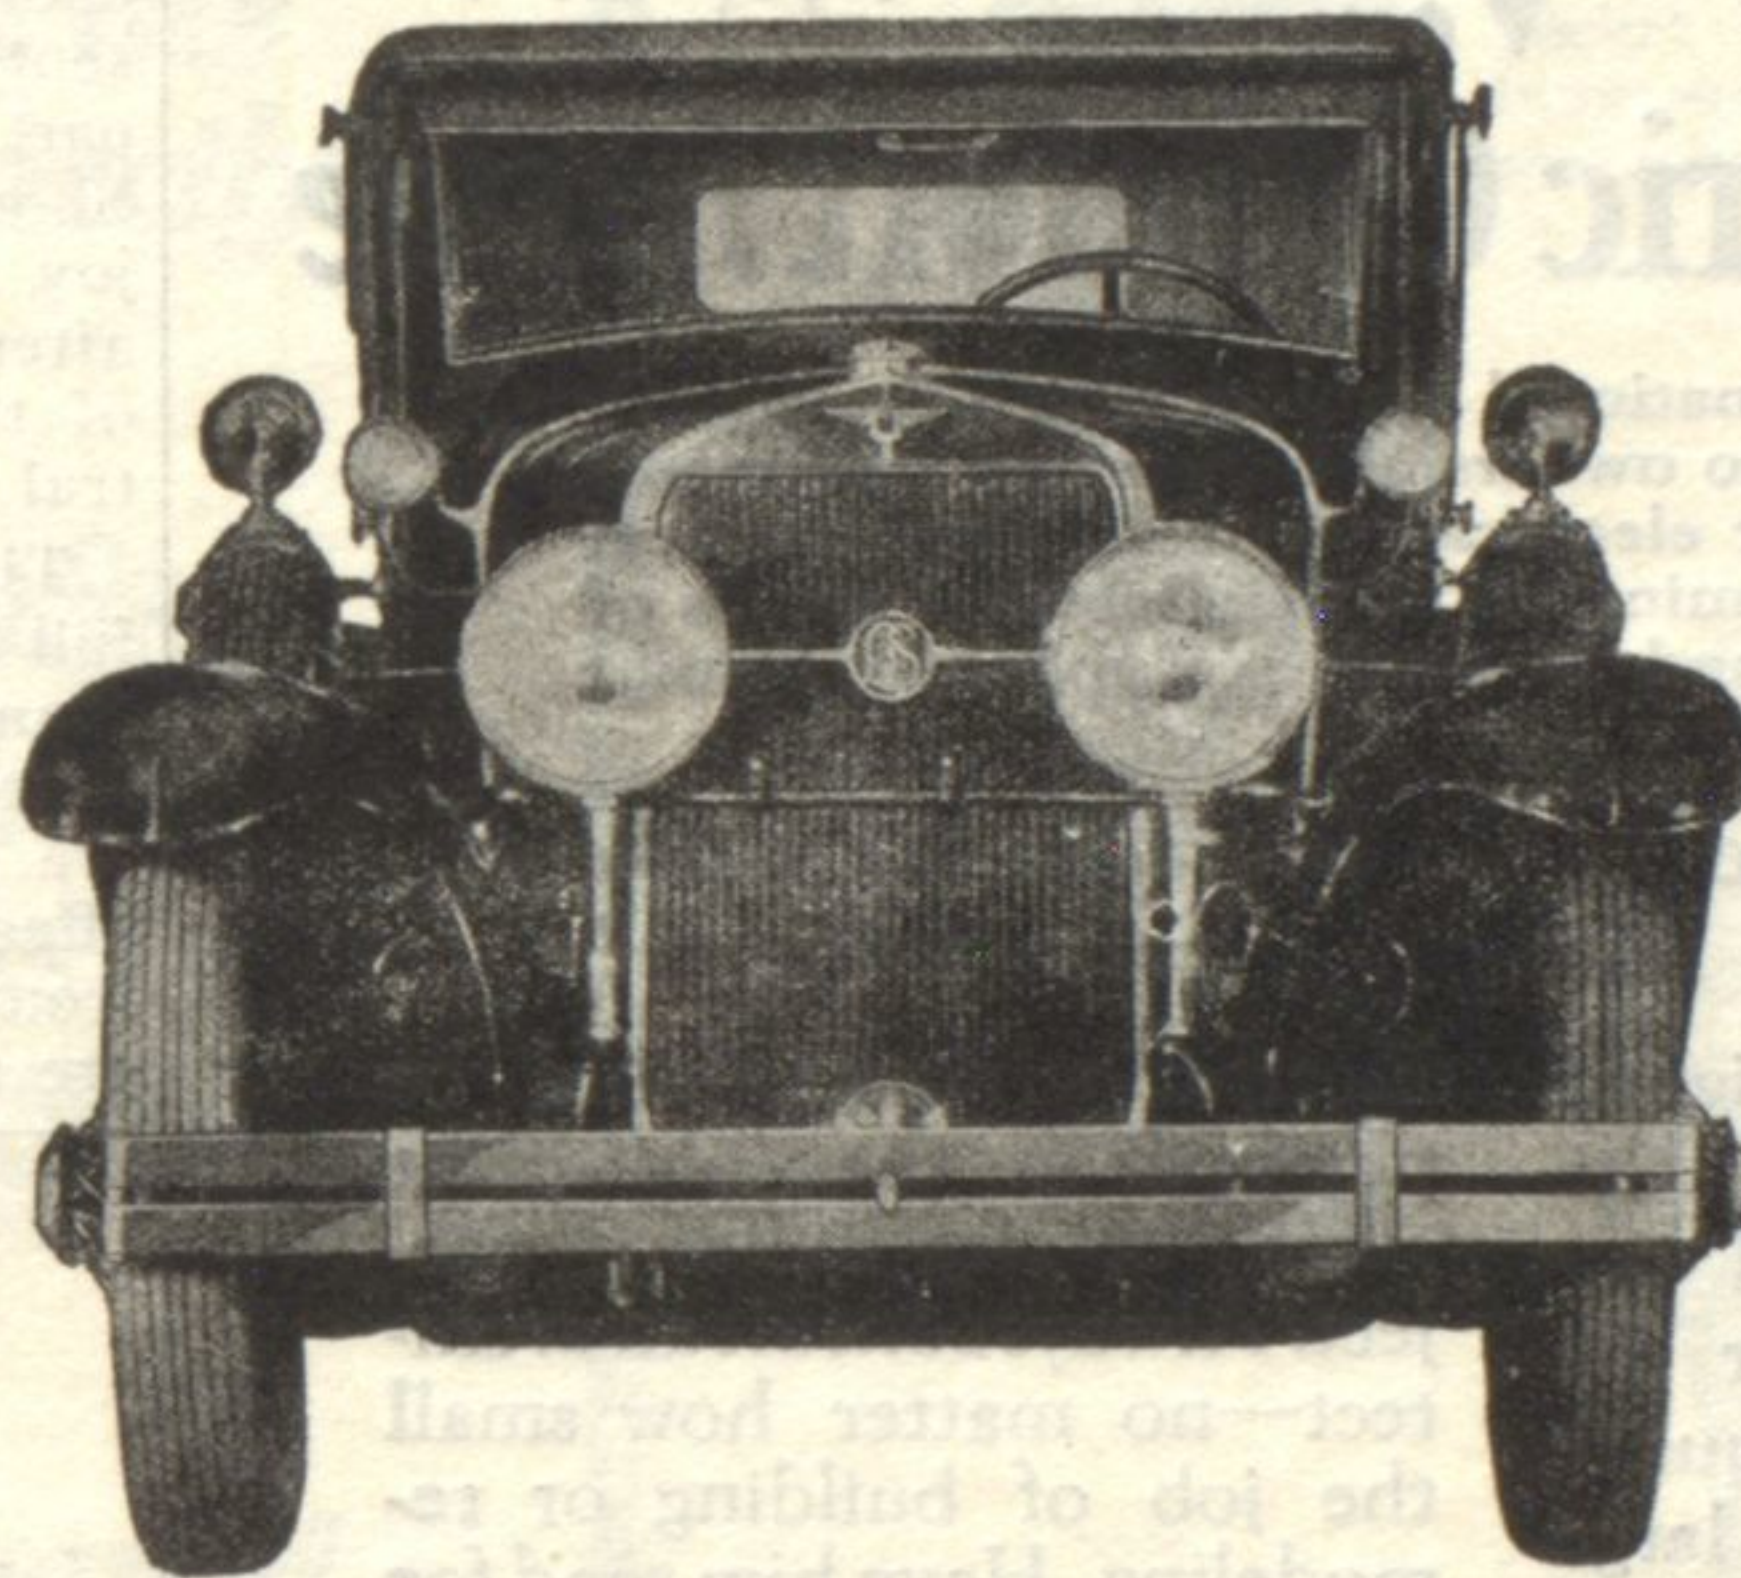

Discriminating people choose our house and are assured by the 30 years' experience of Mr. John Negrescou, of receiving a wave that expresses elegance, youth and beauty without the slightest injury to yourself or to your hair.
