A cordial invitation is extended to you to inspect our new group of shops opposite the new Teatro at Via del Lago and Sheridan Road. Several will be occupied by May first.

The shops are most attractive and have a number of distinctive features. One important development is the elimination of the public street parking annoyance. Private parking space is provided for patrons, so that one can shop in comfort.

The owners have developed interesting plans for both a Tea Room and Sweet Shop, which they believe offer unusual opportunities to qualified applicants. For these and one or two other locations address H. C. Edmonds, 203 S. Dearborn Street, Chicago. Telephone Harrison 8183.
