

... at the Teatro del Lago  
**2343 Cubic Yards**

excavated by B. W. Blow  
 in record time

In addition to doing the  
 Excavating for the Teatro del Lago  
 B. W. Blow furnished sixty-five car loads of  
 Sand—Cinders—and Gravel that were used in the  
 construction of the driveways throughout the property.

*Private Driveways—Building and Road Materials*  
*Excavating by Steam Shovel or Teams*
