

Five Thousand Barrels of Cement

Twenty car loads of cement were delivered to the

TEATRO DEL LAGO

to be used for driveways and parking space

Short notice, for immediate delivery on the greater portion of this cement was met without delay.

Your wants too, not only in cement, but in coal, or building materials will be answered and cared for immediately. This is customary in Weissenberg Service.

... and then a Parking Space of

Fifty Thousand Square Feet

was laid by PAUL RESCHKE in less than ten days. . . . this same service on Cement work is offered you at all times.

In addition to laying the concrete for the parking space, we had already made the concrete pavement from Sheridan Road to Tenth Street.

Your wants in concrete work, no matter how large or small, will be given our immediate and careful attention.
