Can the Baby Roll With Safety on Your Rugs?

Youngsters will toddle and tumble and roll. It's a happy, human trait—but have you made provision for it in your home, so that the health of your little ones can be properly safeguarded?

A good precaution is to be sure that the washable rugs in the nursery, in the bed rooms and elsewhere in the home are always properly clean.

And it is no trouble to keep them that way if you will just send them to us once in a while for laundering.

Instead of trying to struggle with them yourself—it is fatiguing work for even the most robust of women—simply make a roll of them and give them to our driver when he calls for your family bundle.

Our laundering method is good for rugs. We use oceans of crystal-clear water on them; souse them in creamy suds; rinse them again and again, and then dry them in a sweet, warm breeze. You will be delighted with their restored newness.

Telephone and we will send our driver.
