### "Future of Missions" Is Subject of Sunday Sermon

"The Future of Missions" will be the topic discussed at the Winnetka Congregational church in the evening sermon by the Rev. Thomas A. Goodwin, Sunday May 1.

Is the time drawing near when Christian missionaries will find their presence in mission land either unwelcome or unnecessary? If America is to maintain mission enterprises in other lands is there need of putting such enterprises on a new basis? This theme has been selected as particularly timely because Mr. and Mrs. Paul Reynolds are now on their way home for their first furlough from their work in China.

### Congregational Church to Hold Communion Services

Communion services will be held at Winnetka Congregational church, Sunday morning, with reception of new members. Among these will be a group of young people who have been attending the special classes by the ministers. A week from Sunday morning an opportunity will be given to those who desire to do so, to contribute to the Red Cross fund for the flood sufferers in the South.

Mr. and Mrs. J. G. Dewar of 797 Pine street have as their guest Mr. Dewar's sister, Mrs. Rita Elder, who arrived here Wednesday from her home in Hollywood, Cal. Many entertainments are being planned in her honor. After a visit of about two weeks, Mrs. Elder will go to Canada and will return here early in the summer.

### VISIT 8TH GRADERS

#### New Trier High School Deans to Outline Courses for Prospective Students at Series of Discussions

The dean of boys and dean of girls at New Trier High school, with some assisting teachers, are to make a round of visits to the eighth grades of the various villages in the township to outline for them various possible courses, explain to prospective New Trier students various details of registration so that they will have a clear understanding of all that is involved, and give the pupils and parents present a chance to ask various questions.

The school authorities are particularly anxious that the mothers and fathers be present at those meetings so that the school may get all the questions that are likely to arise and thus more completely smooth the way for those new students as they are about to make the change from the grammar school to the high school.

The teachers who are to be with the deans are the advisor chairmen of the freshman class and some teachers of the special subjects, such as free-hand drawing, home economics, and commerce. The schedule for the villages is to be as follows:

- Monday, May 9, 3 P. M., Wilmette—the boys meeting at the Howard school, the girls at the Byron Stolp school.
- Tuesday, May 10, 3 P. M., Kenilworth.
- Thursday, May 12, 3:30 P. M., Winnetka.
- Friday, May 13, 3:30 P. M., Glencoe. (Note the difference in time for Winnetka and Glencoe).

Bill Carey, son of Mr. and Mrs. W. J. Carey, of 883 Oak street, returned Sunday from Ann Arbor, Mich., where the Northwestern baseball team, of which he is catcher, played the University of Michigan team Saturday.

Mrs. Kirk Taylor, 515 Cumnor road, Kenilworth returned to her home last week from a ten days' trip to Grand Rapids.

They will cure any Cold or Cough. Will prevent Pneumonia, and Flu.
