

### Club Reminds All Amateur Gardeners of Evening Talk

The Winnetka Garden club again calls attention of amateur gardeners to the lecture to be given in the Assembly room, Community House, Winnetka, Wednesday, May 4, at 8 o'clock. Mrs. Frederick Fisher, who is the speaker, was the creator of the before and after backyard garden at the Chicago Flower and Garden show, which attracted so much attention.

Mrs. Fisher is a gardener of many years' experience and has most valuable suggestions for planting for color, for a succession of blooms, for privacy and for the solution of the shade problem. These lectures are open to everyone interested in the gentle art of gardening. Mrs. Fisher will be glad to answer questions.

When Mrs. Francis King speaks before the club Tuesday, May 17, on "Tulips and Lilacs," the members will have an opportunity to hear one of America's best authorities on gardening. The talk will be at 3 o'clock at Indian Hill club. Tea is to be served after the talk. Mrs. C. B. Dallas and Mrs. James Prindiville are in charge of tickets.

The money collected in the Religious School tomorrow will be contributed to the Winnetka branch of the Chicago Infant Welfare society.

Rabbi Wessel and Mrs. Kreer, soloist in the church choir, are included in the first Music Week program, which will be held in the Winnetka Community House Sunday afternoon at 5 o'clock.

Because I feel that  
In the Heavens Above,  
The angels, whispering  
To one another,  
Can find, among their  
Burning terms of love,  
None so devotional  
As that of Mother.
