Pow! and Mr. Pow Proceeds to Slam Mr. Bauer's Porch

Awakened by a crash in front of his home at 3 o'clock last Sunday morning, G. Bauer, residing on Glenview road, discovered upon investigation that a passing motorist had deserted the usual lane of travel and "borrowed" the Bauer front steps.

Mr. Bauer, obviously much perturbed not to mention highly indignant, sallied forth to question the stranger. In the meantime, the erratic driver had collected his scattered car and more scattered wits and had departed from the scene of his Don Quixote battle with the "means of ascension."

Now Mr. Bauer objected strenuously to losing his front steps—and he objected still more strenuously to the stranger's ungentlemanly departure. Mr. Bauer coordinated his disgust with his common-sense and proceeded to search the ground for clews.

He found two of them, for the vanishing motorist had left upon the scene of battle both his city and state license plates. A call to the Wilmette police station resulted in the identification of the plates with the name of one E. R. Pow, residing, according to the state license directory, at 6904 Glenwood avenue, Chicago.

The ultimate action in the affair or whether or not Mr. Pow and Mr. Bauer have reached an armistice, has not been announced.

CALL TO SCOUT DAY

North Shore Area Council to Hold
Big Meeting at New Trier High
School Friday, May 6

May 5 is the big day ahead on the north shore Boy Scout calendar. The new Trier High school dining room will be the scene of the Spring council meeting at 6:30 o'clock, to be followed at 8 o'clock by a public Court of Honor and inspection in the auditorium. The 8 o'clock meeting is open to the public without admission.

Troop 5, winner of the March inter-troop Efficiency contest in competing against all other troops of the area, has been selected to give a very short pantomime entitled the "Boy Scout Pageant of Progress." As music is played softly, a reader tells the story of the Heritage of Scouting. As the music "By the Waters of Minnetonka" is played, an Indian appears. Next, to the tune of "Lead Kindly Light," a Scout costumed as a Pilgrim, appears. He is followed by the music, "Yankee Doodle," and the appearance of the Minute Man. Then comes the Pioneer, to the tune of "The Turkey in the Straw," the Boy of '61, to the tune of "The Girl I Left Behind Me," the Rough Rider accompanied by the music, "Hot Time in the Old Town Tonight," the Dough boy to the tune "Over There." The final scene, as the music of the National Anthem is played, presents a Scout patrol in full uniform, the Men of Tomorrow.

The program will open at 8 o'clock with the inspection of each troop, by the committee on Court of Honor and Advancement. Awards will be made to approximately 100 scouts who have earned an advancement in rank during the last month.

Hubbard Woods Man Killed When Flyer Crushes Automobile

H. E. Odhner, tailor, at 1050 Gage street, Hubbard Woods, and residing at 1150 Tower road, was instantly killed by a Chicago and Northwestern passenger train, Wednesday morning at the Woodlawn avenue crossing in Glencoe. The accident occurred at 8:20. Odhner's car became stalled on the tracks and was struck by one of the company's fast trains, the "millionaire special" going into Chicago.

The car, with Odhner in it, was literally wrapped around the pilot of the engine and carried 1,300 feet to Scott avenue before Engineer O. Berkness could bring his train to a stop. The machine was completely demolished and the pilot trucks of the engine derailed.

Sergeant Harry C. Enault and Patrolman William Cazel of the Winnetka police department responded to a call and directed the removal of the body to the Hubbard Woods station and obtained statements from the train crew relative to the accident, which information they turned over to Chief Jacob Rudolph of the Glencoe police department upon his arrival. The accident occurred in Glencoe. Mr. Odhner is survived by his widow and a daughter.
