### It pays to look well

There is no need for you to be among the many who do not discriminate between good and poor tonsorial work. Be you man or woman you know when your hair is cut or bobbed right. Don't climb into a chair in the first shop you encounter. Come to us and get that expert service we guarantee and you will be sure to look well barbered.

buy

Convert your  
present icebox  
into a  
**ZEROZONE**

ZEROZONE MODEL B-7

Exterior Dimensions: 34 ins. wide, 22 ins. deep, 70 ins. high. Has three trays each having capacity of eighteen large cubes of ice. Exterior finish: white enamel. Interior finish: pure white seamless porcelain lining. Insulated throughout with solid corkboard.

Right into the ice compartment of your present icebox goes Zerozone, and you will have colder-than-ice refrigeration every hour of the day and night, every day in the year, for years to come. For less than the cost of ice, you and your family can enjoy the convenience, economy and health protection of automatic electric refrigeration.

### Install ZEROZONE Now

For only a few cents a day, less than the cost of ice tickets, you can rid your mind of any thought of the icebox, and be independent of delivery schedules. No ice card to watch. Buy plenty of food with perfect safety, in money saving quantities, because nothing will spoil in ZEROZONE temperature. ZEROZONE completes the chain of pure, unspoiled food supply from packer or market to table.
