Many Attend Arden Shore Homecoming

Winter Camp Alumni, One Hundred Strong, Come Back for Day with Present Campers

Homecoming at Arden Shore this year was an occasion for enthusiasm. One hundred boys came back to the camp to spend the days with those who have been there this winter. They arrived early last Sunday morning for a few hours of their own devoted to the weighing of graduates, a baseball game between the north and south side graduates, a dinner, and alumni reunion. The hold Arden Shore has for its graduates is manifested in part in two instances. One boy drove from Flint, Mich., for reunion, and one was present who had been at the first homecoming seven years ago.

Commencing at 3, the following program was given for the boys and for the many friends from the entire north shore who were visitors at the camp last Sunday afternoon.

Elected President

The Southern Woman's club of Chicago had its annual luncheon and program Thursday of last week in the Crystal ballroom of the Edgewater Beach hotel. It was the largest and most enthusiastic gathering in the history of the club.

After a splendid program Mrs. Louis Wells Hall, the retiring president, presented to the club members, Mrs. Edgar Foster Alden of Winnetka, the newly elected president. In accepting, Mrs. Alden gave a short talk on the necessity of work and co-operation of all members to make a club truly successful.

Birthday Luncheon Closes Woman's Society Season

The last meeting of the year of the Woman's society of the Congregational church will take place on Wednesday, May 11. Owing to the White Elephant sale, this meeting is one week later than usual, which has given both flowers and committees extra time in which to perfect themselves for the day.

The arrangement of the program is to be unusual. The annual reports and election of officers will precede the luncheon, not follow it, as is customary. At 10:30, in the Neighborhood room, this important business meeting will take place. The reports will be brief and of interest. A birthday luncheon, with all the charm that the word implies, will follow immediately after the morning session.

A delightful musical program will follow the luncheon. The list of artists comprises Mrs. John Hansel, Jr., contralto; Mrs. William D. McAdams,

Society for Shut-Ins to Sell Wares in Glencoe

The Vocational Society for Shut-Ins, East Walton place, Chicago, is to conduct an all-day sale in Glencoe May 10, from 10 until 5. Mrs. William H. Stanley Black, 171 Franklin road, will open her home on that date for the sale and tea. These sales have been held all along the north shore for many years, but this is the first one in Glencoe.

Mrs. John Waller Marshall, president of this valuable charity, will assist Mrs. Black, one of the directors, along with the following hostesses: Mrs. Andrew MacLeish, Mrs. Milton Trainer, Mrs. Pirie Carson, Mrs. Ivor Jeffreys, Mrs. Henry L. Stout, Mrs. Keith Roberts, Mrs. James Sheldon, and Mrs. Henry Peirce Pope.

This sale presents to Glencoe people an opportunity to see what many Chicago shut-ins accomplish through the aid of this organization. Through the assistance of skilled instructors, many unfortunate ones who otherwise would be dependent, become self supporting. These instructors utilize the talents of the shut-ins in a practical way, making it possible for them to put on the market many beautiful and saleable articles. In fact this shop has become quite famous for some of its products, among which are attractive and artistic hooked rugs, pillows, luncheon sets, and many other moderately priced articles.

Winnetka Woman Writes and Directs Pageant

Mrs. Frederick Dickinson, 1228 Scott avenue, and Mrs. Wiley J. Huddle of 794 Rosewood avenue have returned from Harrisburg, Ill., where they represented the B. S. Winnetka chapter of P. E. O. at the twenty-fifth annual convention of the state organization.

Mrs. Dickinson, president of Winnetka chapter, wrote and directed the staging of a symbolical pageant given during one of the open sessions. The Galesburg, Ill., Register says of this pageant: "Probably the most impressive feature of the convention was the beautiful pageant, 'The Spirit of P. E. O.' presented by the presidents of the Chicago Round Table and written by Mrs. Laura T. Dickinson."

ON WOMAN'S CLUB BOARD

At the annual meeting of the Chicago Woman's club on April 30, Mrs. Andrew MacLeish of Glencoe was elected president for the coming year. Mrs. Winthrop Girling of Glencoe and Miss Elizabeth Gemmell of Winnetka also have been elected to the club board.

Great Lakes Veterans Have Birthday Party

Wilmette Woman's Club Committee Takes Gifts and Cakes for Double Party

(Contributed)

At the Great Lakes Naval hospital a party is given each month of the year at the Red Cross House for the disabled ex-service men whose birthdays come in that month. The women's clubs of the Tenth district take turns in giving them. Thursday of last week the committee from the Woman's club of Wilmette gave the party for the men whose birthdays came in March and April. This was a double party as quarantine had prevented the one in March.

About thirty-five women from the club went up to the party, each laden with one or more cakes, cartons of cigarets and flowers. Forty-two men had birthdays. Thirty-five were able to sit at the table which was beautifully decorated with pink flowers, candles, nut cups and a large birthday cake with forty-two pink candles. At each place was a box daintily wrapped containing a tie. As a personal touch, a birthday card with the name of the man was slipped into the ribbon of the box. Gifts were sent to the beds of the men who were not able to come to the table. Coffee and cake were served not only to the birthday party, but to nearly two hundred other men who had come to the Red Cross House.

So generous had been the women of Wilmette that the sentiment voiced by many men was "For once we have had all the cake we wanted and such good cake." There was plenty to send to the ones who could not get out.

A fine program was given and was greatly enjoyed. Hal Reeder of Highland Park, who is heard frequently over the radio and who conducts an orchestra of his own, gave his services. He was most enthusiastically received by the men when he gave his banjo solos and sang his funny songs, accompanying himself on his instrument.

Mrs. William A. Richardson read several humorous selections, Mrs. Benjamin Gage sang delightfully, and Mrs. David Park played for the boys when they gathered around the piano to sing.

It was a very jolly party and the happiness reflected in the boys' faces made all feel that the afternoon had been worthwhile.

The committee for co-operation with ex-service men, of the Woman's club of Wilmette, asks WILMETTE LIFE to convey its thanks to the entertainers, to Frank Wilson, who gave the large birthday cake, and to all who gave money, cake, cigarets, and service for the success of the party.
