*Knights Templar Assemble for Inspection at New Temple*

Review Photo by Lehle

The new Masonic Temple, Lake street and Maple avenue, opened its doors for the first time last Saturday to a large gathering of Knights Templar who assembled for the inspection of the Evanston commandery. About 450 Masons from the North Shore commanderies and Cook county were present for the ceremonies which were under the direction of Sir Knight Aubrey Prosser, Grand Generalissimo of the Grand Commandery Knights Templar of Illinois. The day's program began at 2:30 with the Order of the Temple, followed by dinner and the annual inspection ceremonies in the evening, held in the new temple reputed to be one of the finest in the United States. All Masonic meetings will now be held in the new building although the dedication will not be held until later.

A Bond we recommend is a safe Bond for you to buy. We shall be glad to assist you with our knowledge and experience.
