

### Dodge Brothers Convertible Coupe

Dodge Brothers, Inc. announces the addition of a distinctive new car to its line—a convertible coupe, which will be a companion car to the present sport roadster. The new coupe is unusually smart looking and with its rumble seat, utility and style are admirably combined.

The body lines are long and graceful and the color scheme is exceptionally attractive. Lacquered in armory green, the body contrasts

strikingly with the tan top and lustrous black fenders and shields.

The top is of tan colored waterproof material of unusual durability. The braces are so constructed that in folding it down the material will not be cracked or worn by rubbing.

Cushion and back of the rumble seat are green Spanish genuine leather and are deep and comfortable. The back is high and is tilted at a comfortable angle.

The interior of the car is upholstered

in the same green Spanish leather as that on the rumble seat. The interior appointments are finished in nickel.

The wire wheels, with which the car is equipped, are green to harmonize with the predominant body color. A fifth wheel is furnished as standard equipment.

The radiator, motometer, hood clamps, front and rear bumpers and top props are finished in nickel, adding to the coupe's distinguished appearance.

### FIVE YEAR FINANCIAL PROGRAM IS OUTLINED

(Continued from page 57)

at the end of each year in the electric and water departments constitute the funds left after payment of operating expenses, depreciation replacements, and capital outlays for providing the necessary added capacity to handle the estimated increase in demand. Revenues of the water department, used for arriving at the surplus in the water department, assume that the Glencoe contract will be terminated in 1928-9, and expenditures for plant additions in the water department are based on the assumption that it will not be necessary to carry the Glencoe load after April 1, 1928.

### VISITS REALTY BOARDS

Lou Harrington, field secretary of the National Association of Real Estate boards, is making an extensive trip through the South and Middle West, visiting boards who are members of the national association. He will spend the two weeks from May 5 to 19, in Illinois.

### Goodman Players Give Shakespearean Comedy

Shakespeare's comedy "As You Like It" was presented Wednesday evening, May 4, at the Goodman Memorial theater by the repertory company. Miss Alexandra Carlisle and Whitford Kane who were jointly responsible for the splendid direction of the performance also appeared in the cast, Miss

Carlisle as Rosalind and Mr. Kane as Touchstone. It was in every way a production worthy of the standards of this theater. The acting of the principals was extremely fine and they were given capable support by the members of the company. Beautiful new settings and costumes with unusual lighting effects made the stage at all times a lovely picture while especially composed incidental music for

singers and orchestra served to complete this delightful performance.

A benefit bridge for the Park Ridge School for Girls will be given Wednesday, May 11, at 2 o'clock in the afternoon at the Kenilworth Assembly hall. A prize will be given for each table. Mrs. E. John Hicks, 240 Kenilworth avenue, Kenilworth 1401, is in charge of arrangements.

## Rentals — Winnetka & Glencoe

### UNFURNISHED
