Films of Arden Shore Initiate Fund Campaign

Moving pictures showing the activities of the children at the Arden Shore camp were on view at the afternoon and evening performances of the regular moving pictures shown at Community House, Friday, May 13. The film was run as a part of the regular show and roused much interest in the cause of Arden Shore.

In addition to the film, the boys' glee club of Arden Shore gave several numbers to entertain the audience. This is preparatory to the drive for funds which officially opens Saturday, May 14. One hundred and forty-five Winnetka women have been recruited into the ranks of canvassers.
