

**You Active Fellows
Need Shoes Like These**

THEY'RE so easy on the feet that you'll forget you're wearing new shoes until everybody asks you where you got the snappy looking kicks. They come in sporty color combinations of Norwegian calf. Although they couldn't be better made, they're not expensive at all.

You ought to see the Pool & Piper Play Oxfords of Dark Elk, with Gro-Cord non-slip soles. They are five eighty-five—for the bigger boys, six eighty-five.

Anzac Soprano

Florence Austral, soprano, sensation of last year's Cincinnati Music festival, will appear on the program of the North Shore Music festival Thursday evening, May 26. Miss Austral, an Australian by birth, has had a sweeping success over England and in American cities.

Mr. and Mrs. George E. Shipman and the Misses Elizabeth and Alice Shipman, 432 Warwick road, returned to Kenilworth Monday morning after spending the week-end at their summer cottage in Michigan.

Winnetka Rifle Club Arranges Active Season

The Winnetka Rifle club, which was organized in the summer of 1926, began its activities this season with a meet at the Fort Sheridan range last Sunday. Eighteen members attended the season's inaugural and individual honors in the shoot were won by J. M. Dickinson, Jr. Dr. Charles B. Blake of Wilmette was a close second, with Kenneth Beall, winner of the club's trophy last year, third. Best scores of the other leading participants: L. H. G. Bouscaren, 37 out of a possible 50; P. D. Smith 37; W. M. Peterson 36; Pierre Bouscaren 38; Frank Moore 32; John Dickinson 27; E. R. Lewis 27;

The club was formed by a group of leading Winnetka residents, and in the first year of its organization held regular meets every two weeks. It is expected that the officers will greatly extend the scope of the club's activities during the coming year and shoots will be held regularly and at shorter intervals. Operating as it does under the recognition of the U. S. Government War department, the club is supplied with ammunition and a limited number of rifles, without charge, and membership is open to all those interested in work of this character under the restrictions as determined by the club's by-laws.

Complete information regarding dates of meeting may be had by addressing K. S. Beall, secretary, Room 921-38 S. Dearborn street, Chicago.

Mr. and Mrs. Harold Watson, 249 Cumnor road, have moved from their home in Kenilworth to their home on Woodland avenue, Winnetka. Mr. and Mrs. Rogers of Winnetka have moved into the Watson home in Kenilworth.

**A Suitable
LAUNDRY
SERVICE**

The most complete of these services relieves you of every detail of washing and ironing. The least of them cleanses your clothes and returns them damp for finishing at home. And the intermediate grades furnish the help so many desire.
