

**Instrumental Trio in Concert Before Rotary**

The Wilmette Rotary club was entertained by an instrumental trio Wednesday of this week, comprised of three former New Trier High school students, Estelle Swigart, 'cellist; George Swigart, violinist, and Frances Anderson, pianist. The trio has been appearing professionally in Chicago and vicinity during the past winter. The Swigarts are residents of Wilmette, while Miss Anderson lives in Winnetka. The youthful musicians were accompanied by Mrs. Marian Cotton, supervisor of music at New Trier, who enlisted the interest of the Rotarians in the forthcoming convention of the National association of Music Supervisors scheduled to be held in Chicago next spring.

The Rotarians were addressed by Harvey C. Daines of Chicago on the subject, "Some Principles of Effective Business Organization."

Mr. and Mrs. Hugo O. VonHofsten and their daughter, Polly, return Saturday, May 28, from a winter in Pasadena. They will spend a week in Winnetka before leaving for their summer home at Leland, Mich. Mr. VonHofsten will bring back some sketches and water colors which he made of California. He will exhibit these in the Camp Fire room of Community House from May 29 to June 5.

Mr. and Mrs. Samuel O. Rice of 656 Lincoln avenue, have as their house guest this week, Miss Gertrude Cowles of Farmington, Conn. Mrs. Rice entertained at a bridge tea, Tuesday, May 17, in honor of Miss Cowles.

Mrs. Lyman Proctor of 860 Spruce street entertained twelve friends, Wednesday, May 18, for luncheon and bridge.

**Complete Fence Along Railroad in Kenilworth**

Construction of fence along the Chicago and North Western railroad rights-of-way—through the Village of Kenilworth, which is being built as a protective measure for children crossing the tracks on their way to school, was nearing completion early this week. A conference held recently between representatives of the village, the North Shore line and the Chicago and North Western railroad resulted in an agreement to jointly stand the expense of the project and also to share in the cost of retaining a watchman for a pedestrian gate at the Melrose avenue crossing.

Mrs. C. J. Mund of San Francisco, who has spent a week with Mrs. Frank Howard of 859 Lincoln avenue, left Winnetka yesterday.

**You can't paint a house with "apple-sauce"**

When anyone tells you that a "cheap," low price, inferior paint will cost you less than good old SWP—the best house paint money can buy—that's plain "apple-sauce," bunk, taffy, soft soap—or whatever you want to call it.

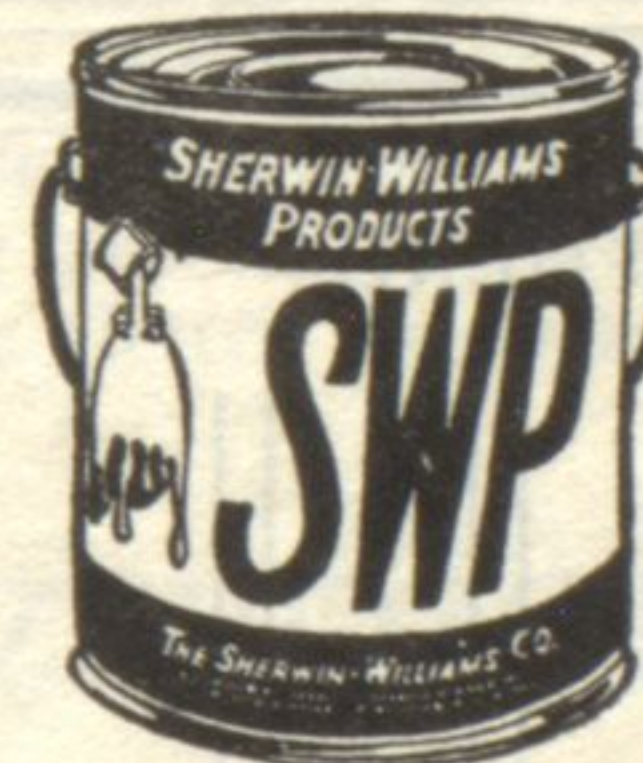

No cheap, inferior paint is as economical as SWP—because you need nearly twice as many gallons to do the job—and your paint job lasts only about half as long.

Don't be fooled by a low price per gallon. If you want the real truth about paint economy we have the facts. Come in and talk it over.

**GUARANTEED!**

SWP House Paint is guaranteed to look better, last longer, cost less per job and per year than any paint on the market.
