# The Greater OAKLAND SIX

"only the most advanced engineering could create it—only super-precision methods could produce it"

If you are one of those sound automobile buyers who buy on comparative values, and if you compare the Greater Oakland Six against the best its field affords—you will discover that only the most advanced engineering could create it . . . and only super-precision methods could produce it.

In no other car of the \$1000 class will you find such a matchless combination of engineering advancements as in the Greater Oakland Six. For no other car, regardless of price, provides Oakland's Rubber-Silenced Chassis and Harmonic Balancer, Oakland's full pressure oiling, bronze-backed in-

terchangeable main bearings, foot controlled tilting-beam headlights and four-wheel brakes.

Nor in any other car of comparable price will you find so many examples of that super-precision in manufacture directly responsible for long car life and lasting owner satisfaction.

All Oakland piston pin bushings are diamond bored . . . All Oakland connecting rods are exactly matched for center of gravity and weight. All Oakland rotating parts from transmission to rear axle are completely balanced. These are practices which typify the most modern and exacting principles of scientific manufacture—and Oakland uses them all!

Oakland Six, \$1025 to \$1295. The New and Finer Pontiac Six—at New Low Prices—\$775 to \$975. Bodies by Fisher. All prices at factory. Easy to pay on the General Motors Time Payment Plan.

### Local Advertising Man Addresses Milwaukeeans

Victor Klebba of 1526 Central avenue, Wilmette, delivered a talk on "Business Letters" to the Advertising club of Milwaukee on Tuesday, May 17.

Mr. Klebba is well known nationally as a writer of business letters and besides having spoken before many clubs, schools and chambers of commerce, is the author of many magazine articles dealing with letters and direct mail advertising.

He has been selected as one of the speakers on the program of the International Advertising association (formerly Associated Advertising clubs of the World) at its coming convention in June at Denver.

Klebba is engaged in the advertising agency business in Chicago.

### Pastel Shades Color Scheme for Wedding

The wedding of Miss Dorothy Hess and Ralph E. Colville was a charming affair of Saturday evening, May 14. It took place at 8:30 o'clock in the First Methodist church of Evanston, with Dr. Horace G. Smith of Wilmette officiating.

A gown of chiffon and silver lace over white satin was worn by the bride, who carried a bouquet of sweet peas, lilies of the valley, and sweetheart roses.

The maid of honor, Miss Myrtle Colville, and the bridesmaids, Miss Virginia Moore, Miss Betty Rice, Miss Elizabeth Anne Hughes, Miss Ruth Arnold, Miss Eleanor Fischer and Miss Oneita Hewitt, were in dresses of georgette crepe of pastel shades and carried sweet peas and Dreux roses. The bride's mother wore a lace gown and Mrs. Colville was in pink chiffon. Robert Mahan served as best man. Jack Ashley, Howard Davidson, Joseph Falcon, Norman Ericson, Philip Hall and Allen Oviatt were ushers.

A reception for the wedding party and immediate family was held at the home of the bride's parents, Mr. and Mrs. Benjamin W. Hess, 430 Ninth street, Wilmette at the close of the ceremony.

Mr. Colville and his bride have gone to Signal Mountain on their wedding trip and will be at home in Evanston after the middle of June.

### Wilmette Boy to Enter Illinois Marble Meet

Roger Palenski of Wilmette won a third place in the North Shore Marble tournament conducted by the Evanston Bureau of Recreation at Evanston last Saturday.

This victory gives him the right to enter the state tournament to be conducted on June 3. Palenski along with Dick Preston and Harold "Whitey" Borre, won the right to enter the Evanston meet by reason of being the winners in the Wilmette tourney conducted by the Wilmette Playground and Recreation board earlier in the year.
