

Now—

Five Can Ride for the Price of One—

Effective May 25th the Black and White Cab Company gives to the riding public a decrease in rates.

No Charge for Extra Passengers

Our business has shown a steady increase, and we feel that at this time we might let the public "in on the profit."

Most of our drivers have been employed by us from 2 to 7 years. Others, seeking employment are hired only when able to produce the best of references. By doing this, we insure perfect comfort and safety to those who ride in our cabs.

*Now that the wonderful work is done.....
Five can ride for the price of one.*
