

**Musical Society  
to Give Program  
at Woman's Club**

The North Shore Musical society is planning a program to be given at the Wilmette Woman's club, on Monday evening, June 6, at 8 o'clock.

This will afford the people of Wilmette and neighborhood towns an opportunity to hear a few of the artist members of the society.

Alvene Ressigue, noted Chicago contralto, Dorothy Rae, soprano, Ernau Akely, pianist, and Elizabeth Weixel, violinist, will be the solo artists, while a trio made up of Winifred Townsend Cree, violinist, Estelle Swigart, cellist, and Gevilla Neukrantz, will complete the program.

It is hoped that all lovers of music on the north shore will avail themselves of this opportunity to enjoy a musical evening.

**Police Officer Opens  
Battery Repair Shop**

Eugene Schubert, motor cycle officer in the Winnetka police department, is leaving the service July 1, to embark in business for himself. Schubert, in addition to being a most efficient officer of the law, is also an expert battery man, and will engage in that business. He will be located in the new garage building on Tower road, just west of the tracks. Mr. Schubert has been a member of the Winnetka police department since the latter part of 1925.

**IN FLOOD DISTRICT**

Mr. and Mrs. John O. Barber of Church road, who with the Barber twins, left last December to spend the winter in San Antonio, Texas, have returned to Winnetka. They visited New Orleans and noted the efforts of the coastal guards and other workers to safeguard the city. They also visited the San Bernardo district when the levee was dynamited.

Mr. and Mrs. Ernst C. von Ammon of 568 Elm street returned Wednesday, May 25, from a motor tour of Virginia. They spent some time at Swans Point, Va., visiting Mrs. Charles Strotz.

Mr. and Mrs. John R. Montgomery of 15 Green Bay road have been attending the National council of Congregational churches at Omaha, Neb., this past week.

**Musicale and Tea to Be  
Given by Music Pupils**

A musicale and tea, demonstrating the nationally known Dunning system of improved music study for beginners, will be given by pupils of Miss Dorothy Clayson on Saturday afternoon, June 4 at 2:30 o'clock at the Winnetka Woman's club. This is the first time the Dunning system, endorsed by famous musicians and artists, including Letchetizky, Gabilowitsch, and Paderewski, has been presented by demonstration to the North Shore villages. The public is cordially invited.

**WILL REPEAT SALE**

The committee in charge of the recent White Elephant Rummage sale of the Winnetka Congregational church wishes to announce that a similar sale will be given by the church members two years hence, and asks that everyone keep this notice in mind when doing their spring and fall cleaning during the following two years. Gross proceeds from the recent sale are announced as \$3,900.

**CIRCLE TO MEET**

**There's a joker  
in the  
"cheap" paint can!**

"Cheap" paint looks like paint and smells like paint—and the low price seems to be attractive. But here is the two-sided "joker."

A gallon covers only about half the area covered by SWP House Paint — a strictly quality paint. Nearly twice as many gallons are needed. Figure that out and the low price isn't low at all.

Then it lasts only about half as long on the house—needs to be renewed oftener—costs over twice as much per year as SWP.

Come in. Let us tell you the whole story about real paint economy. We will save you money.

**GUARANTEED!**

SWP House Paint is guaranteed to look better, last longer, cost less per job and less per year than any house paint on the market.
