

Save Money on — — TIRE MILEAGE

Every day in the week, we feature values in tires.

Our values mean more mileage — at economical cost.

Here you get Silvertowns — just packed full of miles — Silvertowns at prices that cut their cost per mile the lowest it has ever been.

*More deliveries
for the
commercial car*

Delivery car owners can tell you the facts about tire costs. They figure the cost of their tires by the number of deliveries one set of tires will give. More miles mean more deliveries—at lower cost. That's why commercial car owners use Silvertowns.

*Name your price;
we have the tire
to match it!*

In our stock of Silvertowns, Goodrich Radio Cords and Balloons — we can offer you anything you want, in low price savings or long run economy!
