**A Move for the Better!**

Finding our old store at 1124 Central avenue, entirely too small for Chapel purposes and not suited to give the people of Wilmette and the North Shore the service they are entitled to, we moved into larger quarters.

In this new home of ours, a magnificent place fitted with every possible mortuary facility, we have a funeral home difficult to surpass anywhere. We outgrew our old quarters.

Little JOURNEYS to the LAUNDRY

How your knit underwear,  
 hosiery and woolens  
 are made soft and fleecy

This is a Drying Tumbler—and the reason why your knit underwear, bath towels, hosiery and similar articles are made so soft and fluffy.

Imagine a large woven wire cylinder like that in which your pet white mice used to revolve when you were a youngster.

Your clothes here at the laundry are placed in just such a cylinder for drying. In this cylinder they are gently revolved, and at the same time a brisk breeze of sweet, fresh warm air is permitted to play over them.

Your clothes are dried, and at the same time freshened and sweetened, much as they would be if you hung them out on a line in the sunshine. And in the case of bath towels and woolens, this also raises the nap, plumps and fluffs the fabric, and gives them a pleasing, downy softness.

In this modern laundering method of ours clothes are sterilized as well as cleaned.

Give yourself the benefit of this better washing method by sending your next family bundle.
