

Local Girl Demonstrates Physical Education Work

Miss Sallie Windes, daughter of Mr. and Mrs. T. G. Windes of 244 Forest avenue, took an active part in the annual demonstration of school activities held Friday, May 27, by the Chicago Normal School of Physical Education, at Orchestra hall. Miss Windes appeared in five of the senior numbers, including plastic gymnastics and artistic grouping, indian club drill, pyramids, in which she formed the apex of a four-tier pyramid, clog medley, executed in southern plantation costumes, and in the daisy chain.

Miss Windes will graduate from the school this June. She is a graduate of New Trier High school. During the coming summer she will hold a position as counsellor in Osoha-of-the-Dunes, camp for girls on Crystal lake, near Frankfort, Mich. She will have entire charge of instruction in horseback riding, having received her training in the normal school. In addition she has received much practice in the handling of horses, both with privately owned horses, in riding clubs and during vacations.

Miss Margaret Newman, daughter of Mr. and Mrs. Marc Newman, formerly of Winnetka, also took part in the two junior numbers given at the demonstration, the reed and ball drill and the class corrective exercises.
