

**N.K.E.C. Graduation Exercises to Be Held Wednesday, June 5th**

The Rev. Dr. Albert W. Palmer of the First Congregational church, Oak Park, will give the address at the 41st annual commencement of the National Kindergarten and Elementary college to be held at Harrison hall on the Sheridan road campus, Wednesday afternoon, June 8, at 3.

Dr. Palmer's address will be followed by greetings from the board of directors given by Merritt Starr, president of the board. Diplomas will be presented to students who have completed the course, and honorary scholarships will be awarded by Miss Edna Dean Baker, president of the college. Mrs. Harry G. Phillips, president of the national alumnae association of the college, will present the two honorary scholarships given annually by the alumnae in honor of Elizabeth Harrison and Mrs. John H. Couse, founders of the college.

The Commencement week program will open with the annual alumnae meeting and luncheon to be held in Harrison hall Saturday. The business session at 10 will be followed by an address on "Problems in Child Guidance" by President Baker. Luncheon and class reunions will be held on the campus, the graduating students being the guests of the association on this occasion.

The baccalaureate service Sunday, June 5, will be held in Harrison hall at 4. Dr. George L. Scherger of the Armour Institute of Technology will speak on "Culture and Personality," and an excellent musical program has been prepared by the college choir and chorus.

Tuesday, June 7, the students will bring between 200 and 300 children from the mission schools of Chicago out to the college campus for the annual children's frolic. Balloons, ice cream, games and a band will be the order of the day. The students are endeavoring to secure sufficient volunteer cars to take care of the transportation of children from schools which cannot provide this, and Miss Howard, chairman of the committee, would appreciate it if anyone who is interested in assisting with this project would communicate with her.

**TO TEACH PSYCHOLOGY**

Dwight Chapman, Jr., son of Mr. and Mrs. Dwight Chapman of Wilmette, will graduate from Harvard university this June. Next fall Mr. Chapman will begin as instructor of psychology at the University of California, Berkeley, Cal., a most unusual appointment for a such a recent college graduate. Mr. Chapman also made a splendid scholastic record at New Trier High school.

# Firestone Dealers

## Have Purchased 100% More GUM-DIPPED TIRES

[This Year Compared With Same Period Last Year]

THE demand from car owners for Gum-Dipped Tires has given Firestone Dealers a large increase in volume enabling them to sell these tires to you at the lowest prices in history.

On the cars of motorists everywhere, these wonderful tires are delivering unheard-of long mileage with greater safety and comfort.

The Firestone Balloon Tread, scientifically designed three years ago, and unchanged today, follows the contour of the tire carcass with no excess rubber at the edges to cause "shoulder breaks". Narrow rider strips permit the tread to yield

to depressions and cling to the road, preventing skidding. This tough, pliable tread has the wear-resisting qualities for thousands of extra miles.

Such a tread must be placed on a carcass with the qualifications to withstand the terrific flexing that this design permits. The Firestone carcass is made of cords dipped in a rubber solution which not only saturates and insulates every fiber of every cord, but unifies sidewalls with carcass, avoiding separation under the extreme flexing.

Many Firestone Dealers are prepared to offer you a liberal allowance for your old tires, on a new set of Gum-Dipped Tires to start the motoring season.

To meet a demand for a low price tire and tube, Firestone designed and manufactures, for Firestone Dealers only, Oldfield Tires and Tubes, which carry the Standard Manufacturers' Guarantee.

### OLDFIELD TIRES

At Low Cash Prices
