KENILWORTH'S MOSQUITO WAR

War has been declared on the mosquito in the Village of Kenilworth, and the Boy Scouts have been called to the front line trenches. As the first part of the campaign a complete survey of the town will be made by the Scouts of the famous Troop 13, to locate all places where mosquitoes may breed. Then the whole village will take up arms to get rid of every one of these breeding places, which means doing away with all stagnant water.

Mrs. Guy Henning of Ann Arbor, Mich., is visiting at the home of her son, A. G. Henning, 458 Linden street.

Mrs. Henry R. Rathbone Saves Life of Small Boy

When Mrs. Henry Riggs Rathbone of 312 Sheridan road, Kenilworth, returned from Palm Beach, Fla., Saturday, May 21, she not only returned a rested traveler and sojourner in the warm climate of Florida, but as a heroine. While Mrs. Rathbone was swimming in an out-of-door pool in Palm Beach, a six-year-old boy fell into the deep end of the pool, and was in danger of losing his life. Mrs. Rathbone swam to his rescue, and while a rather inexperienced swimmer, managed to swim with him to the ladder. They sank twice for the little boy grasped Mrs. Rathbone in a strangle hold.
