

## GLENCOE SETS PACE IN BUILDING GRANTS

### Veritable Boom of Construction Underway in Northernmost New Trier Suburb

Sixty-nine building permits totaling over half a million dollars were issued in the villages of Glencoe, Winnetka and Wilmette during the month of May, in which Glencoe has a substantial lead, both in the number of permits issued and in the total cost of improvements authorized.

One of the outstanding points revealed in the monthly statistics is the large number of permits for residences in Glencoe, as compared with other north shore villages, substantiating the claims of that village to the possession of the largest area of undeveloped choice building sites to be found along the north shore. Also verifying the oft-repeated prediction heard of late, that Glencoe, because of this fact, is on the eve of a veritable "building boom."

The total of the twenty-six permits issued in Glencoe was \$271,320.

The total for the twenty-four issued in Wilmette was \$165,175.

The total for the nineteen issued in Winnetka was \$103,850.

The grand total was \$540,345.

Fifteen of the twenty-six permits in Glencoe were for new residences, none of which are to cost under \$14,000. The total cost of the fifteen being \$260,000. Five of the permits were remodeling jobs, costing \$7,220; five were for private garages, costing \$2,700 and one was for an office to be erected by Baird & Warner at their new sub-division, Skokie Heights, and costing \$1,400.

Building in Glencoe has been exceedingly active since the first of the

year, as will be noted by the following record, by months, since that date.

In January, the total was \$173,400, of which \$90,000 was for the new Christian Science church. There were five permits for residences, totalling \$65,000 also issued during that month.

In February, the total was \$95,600, of which \$85,000 was for six new residences.

In March, permits were issued for four residences, totalling \$72,000, the grand total for that month being \$76,980.

In April, the total was \$348,876, of which \$210,000 was for the new church of the North Shore Congregation Israel, and \$134,000 was for nine residences.

In the month of May, a year ago, eleven permits were issued in Glencoe, when the total valuation reached \$263,950, of which \$253,300 was for four residences, one alone, that of the Rothschild's costing \$202,300.

#### Ten Permits Total \$156,000

Ten of the twenty-four permits issued in Wilmette during the month just ended, cost \$156,000; four were for alterations and repairs, costing \$4,050 and ten were for private garages, costing \$5,125.

Only four of the nineteen permits issued in Winnetka during the past month were for residences, the cost of which was \$67,000; one was for a public garage, costing \$14,400 and ten were for private garages, costing \$8,450.

Mrs. Victor L. Cunningham and her son, William, have rented their house at 710 Lincoln avenue for the summer, and have moved to the Orrington for a few weeks. On June 28, they will sail from Quebec on the Mount Royal for Europe to be gone all summer. They will spend about six weeks in Paris, and from there will go to Holland, Belgium, Germany, and Switzerland.

## Mrs. Russo Guest of Opera Star in Assisi

Mrs. Nunzio Russo of 725 Sheridan road, Wilmette, has been the guest of Mr. and Mrs. Virgilio Lazzari in Assisi, Italy, Mr. Lazzari's former home. North shore people will remember Mr. Lazzari as a Ravinia star, and as a member of the Chicago Civic Opera company. While in Assisi, Mrs. Russo has attended all of the functions and concerts given for and by the singer, including a concert at the Metastasio theater for the benefit of the poor. He also sang at the St. Francis church of Assisi, attended by more than ten thousand people.

Mr. and Mrs. Lazzari will sail on the "Rome," on June 8, and expect to arrive at Ravinia June 20. Mrs. Russo will be joined by her husband in Naples. Together they will visit in Italy and France, and expect to return to their Wilmette home late in the summer.

Mr. and Mrs. Frank Husar of 1076 Oak street and Mr. and Mrs. O. J. Freede of Milwaukee spent the Memorial day holiday as guests of Mr. and Mrs. William Morse of Winnetka at their summer home on Pelican lake.
