

Driveways!

For 22 years we have been building driveways for particular people of the north shore that is why our reliability is unquestionable.

If you are contemplating a new driveway or repairs to your old one, a call from you will bring our representative to your door.

killed by frost if the flowers are regularly cut and never allowed to seed.

"In the case of perennials this rule does not work. It benefits the perennial plant to cut the flower, but it does not inspire it to become a continuous flowering type. Most perennials produce one or two crops of flowers which cutting does not increase, though it is true that cutting back not only the flowers, but all the growth of delphiniums, for example, makes the second crop a better one.

"The rule should be to cut annuals as liberally as possible, having regard for the proper display in the borders and to cut perennials more sparingly, cutting only those flowers which are not needed in the garden picture. The annuals will be replaced by nature, but the perennials will not."

RETURN FROM SCHOOL

Harold and Driger Jensen of 379 Rosewood avenue returned home from the University of Minnesota this week, for the summer vacation. They brought with them as guests for a few days some friends who were on their way home to Boston.

North Shore Girls Depart Soon for Camp in Colorado

Announcement is made by Miss Emelyn Waltz, daughter of Mr. and Mrs. Merle B. Waltz of 554 Longwood avenue, Glencoe, of the opening of Camp Newaka, located twenty-six miles from Boulder, Colo., with an altitude of 9,000 feet. Miss Waltz is head counselor at the camp, and will take with her a group of north shore girls, and counselors.

Included in the group preparing to go with Miss Waltz are Miss Jane Bell Waltz, graduate of the University of Wisconsin, who will be horseback-riding counselor, Miss Charlotte Waltz of the University School for Girls, both daughters of Mr. and Mrs. Merle B. Waltz; Miss Jane Wilson, daughter of Mr. and Mrs. Ira J. Wilson of 369 Ridge road, Winnetka, Miss Jean Upson, daughter of Dr. and Mrs. George D. Upson of 607 Washington avenue, Wilmette; Miss Margaret Stults, daughter of Mr. and Mrs. Elmer E. Stults of 418 Sheridan road, Winnetka; Miss Betty Kingsley, daughter of Mr. and Mrs. Frank W. Kingsley of 1506 Grove street, Evanston; Miss Edwina Cadmus, daughter of Dr. and Mrs. John H. Cadmus of 1163 Tower road, Winnetka; Miss Jeanne Culver, daughter of Mr. and Mrs. Alvin H. Culver of 103 Broadway avenue; Wilmette; Miss Elizabeth Freudenreich, daughter of Mr. and Mrs. William F. Freudenreich of 314 Abbotsford road, Kenilworth; Miss Mary Forrest, daughter of Mr. and Mrs. William G. Forrest of 485 Willow road, Winnetka; Miss Ruth Hinchliff, daughter of Mrs. Alice N. Hinchliff of 506 Fifth street, Wilmette; the Misses Betty and Jane Henning, daughters of Mr. and Mrs. Charles F. Henning of 909 Sheridan road, Glencoe, and Miss Ruth King, daughter of Mr. and Mrs. William J. King of 611 Forest avenue, Wilmette.

The camp, so well-represented by north shore girls, is situated on Gold lake, fifteen miles east of the Continental Divide. Arapahoe, and St. Vrain glaciers, Mt. Audubon and other high peaks, all snowcapped during the entire summer are within a short distance of the camp. Horseback-riding is, of course, the main feature of this western mountain ranch camp. In addition to daily trips, several over-night trips are taken, one to Estes Park, following a trail passing through the shadow of Long's Peak, and including Bear lake, Chasm lake and others. Basketball, baseball, tennis, swimming, hockey, canoeing, arts and crafts are also part of the schedule. Hiking is naturally one of the chief sports. A trip to the Cheyenne rodeo, and an automobile trip to Colorado Springs and Pike's Peak is also a part of the summer program.

TO TRAVEL ABROAD

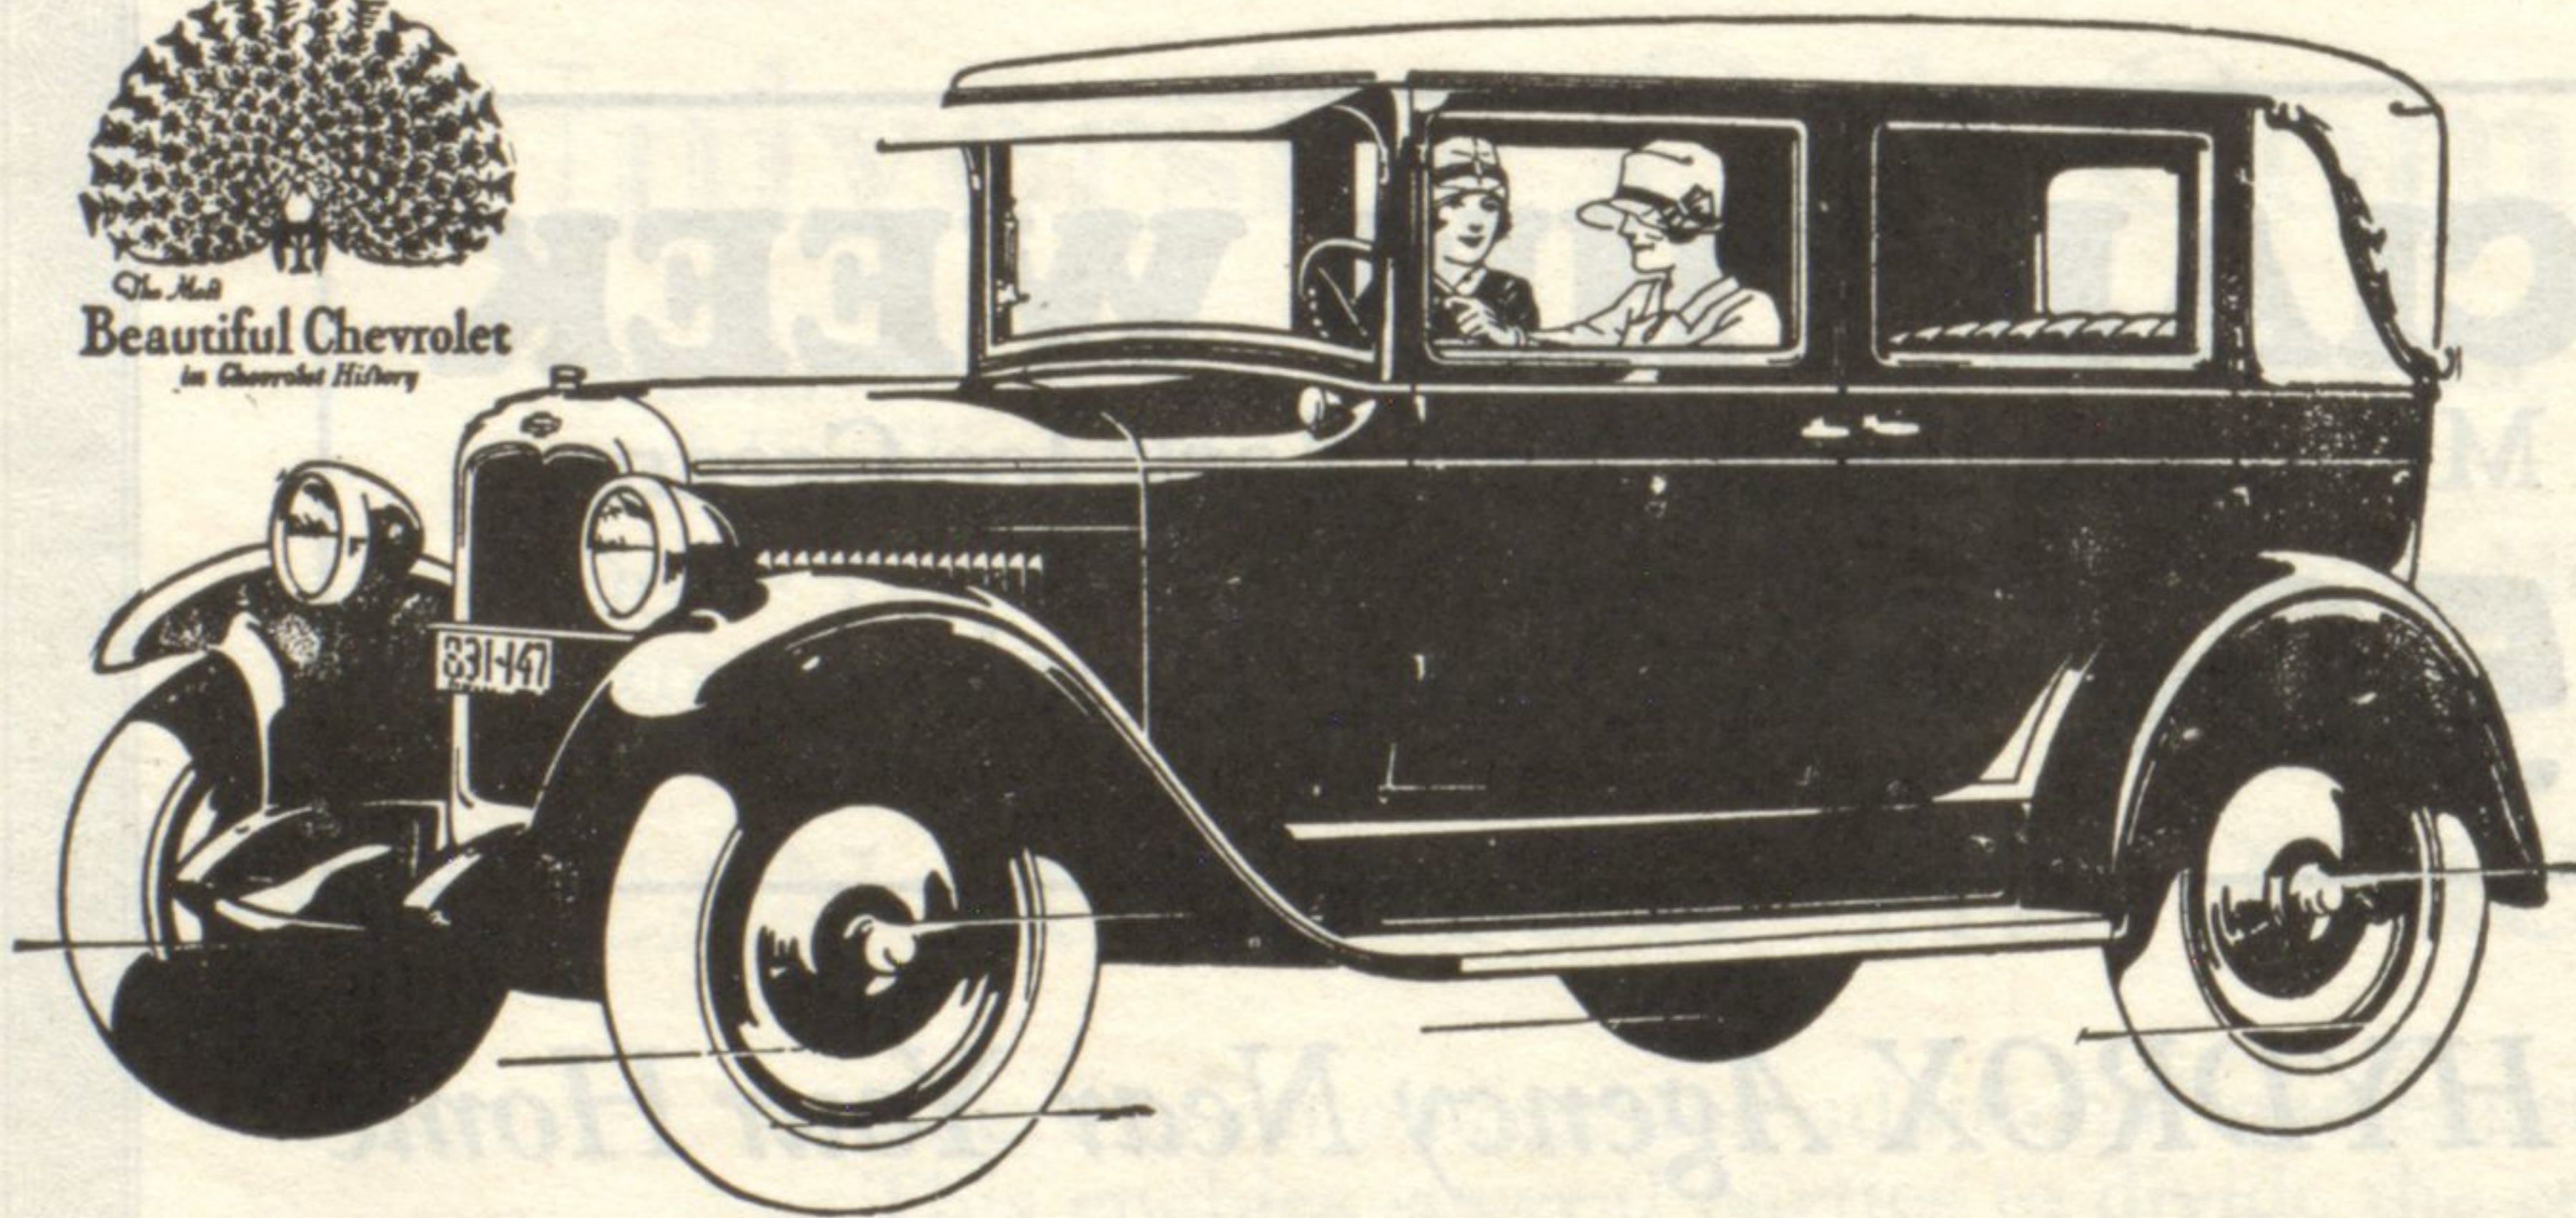

Miss Margaret Tufts, daughter of the Ben Q. Tufts of 449 Sunset road, will leave Winnetka shortly for Quebec, Canada, to sail on the Mont Royal, a Canadian Pacific steamer, on an extended tour of Europe. She will be one of a party of fourteen college girls, conducted by Miss Alice Price Bell, daughter of Mr. and Mrs. Edward Price Bell of 1459 Maple avenue, Evanston. Miss Bell, while a resident of Evanston, has spent much time in Europe, graduating from a university in Switzerland. They plan to include England, France, Belgium, Holland, Italy, Germany, and Switzerland in their tour, and will return in September.

Mrs. William Ogden Green of Locust road has just returned from a two weeks' visit with her son and his wife, Mr. and Mrs. Stuart Green of Greenwood, Va.
