

FAMILY TENNIS TOURNAMENT SCORES HIT WITH FANS

Novel Indian Hill Event Attracts Largest Number of Participants in History of Club

When George Judson Higgins, tennis instructor and manager at the Indian Hill club, conceived the idea of promoting a general family tennis feud, it is probable that even he did not know just what he was starting. Certain it is, however, that when the imaginary bugles blew "to the colors" last Saturday, Sunday and Monday, there were gathered upon the club courts a pleasant percentage of the family circles of Winnetka. And equally certain is the fact that the matches that were played on those three days were simply hot and furious.

According to those in charge, the largest number of people ever to participate or witness a like meet were in evidence. The entry schedules were filled out almost to the utmost capacity and the general interest was greater than has been accorded any other arrangement ever tried at the club.

As the championship in the upper bracket had not been played off at the close of the matches on Monday, Jean Armstrong met Helen Fulton in the final game of the semi-finals at five o'clock last evening; the results of which were not available at press time. The winner of this match however, will meet Barbara Holden, winner of the lower bracket over Miss Mary King by scores of 6-2 and 6-0, at two o'clock this afternoon.

FIRST PLAYFIELD MEET FOR WOMEN ON JUNE 8

Women's Tournament Committee for Season Appointed by Board of Directors

The first tournament for women at Skokie Playfield golf course will be held on June 8. The events will consist of nine hole medal play; nine bogey event with the bogey between 45 and 50; and 18 hole medal play with the bogey between 90 and 100.

Prizes will be awarded the winners in each event. Each player will choose her own handicap. There will also be a prize for low medal aggregate score on any four holes.

These events will be open to all women golf players of the village whether they are Playfield members or not.

The event is scheduled for between one and three o'clock p. m., and anyone starting between these hours will be eligible for one of the three prizes. No player will be allowed to take more than one prize.

If there are enough contestants, added prizes may be offered, at the discretion of the committee, the members of which are as follows:

Mrs. C. B. Cook, 338 Fairview avenue, chairman; Mrs. R. N. Puetz, 452 Sunset road; Mrs. G. W. Perrigo, 461 Hill road; Mrs. Vincent G. Cartier, 460 Elder lane and Mrs. L. M. Stoddard, 582 Provident avenue.

The committee was appointed this week by the directors of the Skokie Playfield association, and will have charge of all tournaments and affairs for women.

Should there be anyone desiring to make a donation of prizes for any of the various events to be held during the season, they are requested to communicate with the chairman or any member of the foregoing committee.

Everyone in Winnetka is urged to join the Playfield association. The membership dues are only one dollar, which goes toward defraying the expense of prizes to be played for during the season.

Others, who take out membership tags, aid in the support of the golf grounds and provide additional funds necessary for the upkeep of the course.

Winnetka citizens are exceedingly fortunate in having this community course and the growing popularity of Skokie Playfield is encouraging to those who have long been laboring for its development. They still need your support and patronage, and whether you are a member of any other golf course, or not, you owe it to the village and to Skokie Playfield to take out a membership here also, it is contended.
