### Winnetka Loses to Waukegan; Takes on Glencoe Tomorrow

After making a valiant effort and overcoming a five-run lead in the eighth inning of last Sunday's battle, the Winnetka nine succumbed in the ninth and allowed the Waukegan Bugles to walk off with the major share of the collection. Faulty pitching with men on the bases proved the undoing of the locals. Luchessi started to twirl for Winnetka but proved ineffective, and Miller shouldered the task after the third inning pitching well until Waukegan's wild jamboree in the ninth.

The Bugles started off in the first with a shower of base hits, grabbing a lead which they held until the eighth inning. After one down in the eighth, Runnfeldt singled, Paletti was hit by a pitched ball, and Thomas singled to fill the bases. Rudolph then stepped up and whaled a double to deep right center clearing the bags. He scored a moment later on Heinsen's double, but the round ended when Miller and Brown rolled out.

Next Sunday the rejuvenated Glencoe team will make its appearance on the home lot. Such stars as "Money" Rudolph, "Bill" Schroeder, Hohlfelder, and Hooper, will make their debut in Glencoe uniforms, so it is well to say that no set-up game awaits the locals tomorrow.

Coach Aschenback, of New Trier High school will do the hurling for Winnetka.

**ANNOUNCING**  
*The Senior Line*  
**A REMARKABLE NEW SIX**  
*by DODGE BROTHERS*

A new line of Sixes by Dodge Brothers is presented to the public today.

It has been rumored, and hoped, for years that Dodge Brothers would ultimately produce such a line—more refined and, of course, higher in cost than their present car.

To combine the sturdy worth of Dodge Brothers standard product with those refinements which greater cost permits, could not fail, it was conceded, to produce a motor car of unique distinction and fineness.

The Senior Line is Dodge Brothers answer to this demand—and Dodge Brothers have answered well.

These are remarkable cars. Brilliantly vital and alive—surprisingly quiet—impressively smart. And built, like all Dodge Brothers motor cars, for years of dependable service.

See one and drive it and you will marvel that performance of this quality and character could be provided at a price so low.
