

NORTH SHORE SCOUTS ENROLL FOR CHECAGUA

Prepare to Spend Period From
June 27 to July 9 at Owasippe
Near Muskegon

One hundred Scouts and Scoutmasters from the north shore Scout troops are looking forward to spending the period from June 27 to July 9 at Camp Checagua, near Muskegon, Mich., one of the Owasippe camps. This camp is one of the best equipped and most carefully managed camps in the entire Middle West.

The camp staff includes specialists in almost every field. There will be a man in charge of nature study work, a real live Indian, a handicraft specialist, and many other interesting leaders of various phases of Scout work. These are in addition to the leader in charge of each tent group of eight boys. Whenever possible this leader is the Scoutmaster who goes to camp with his boys.

Scouts Registered Last Week

Applications for camp were filed last week by the following Scouts:

Wilmette—Troop 4: Paul Sterner; Troop 5: Frank Church, Colin Finlayson, Edward Bristol, Fredric Robinson; Troop 9: John Miller, Adam Bauer, James Hoffman, Herman Rau.

Glencoe—Troop 23: Carl Lincoln; Troop 22: John DeBeers, Cameron Brown, Burton French, Samuel Smale; Troop 21: John Fisher.

Registrations Added Daily

More boys are enrolling daily. In many cases one or more tents at Checagua will be given over to the boys from a single local troop. Eight boys occupy a tent, and when possible they are grouped in their natural patrols and troops.

Invite Local Residents to Glenwood Exhibition

Local citizens who contribute to the financial upkeep of Glenwood Manual Training school will be interested in the announcement of and cordial invitation to the 31st Annual Military Drill and Flag Day exercises of the school, which is Chicago's largest charity, caring for Illinois boys from needy, broken homes, to be held Saturday afternoon, June 11, at 2 o'clock on the school campus at Glenwood, Ill.

The exhibition drill by cadet companies will be received by officers of the R. O. T. C. and I. N. G., following which a prize flag will be presented to the winning company.

A feature of this year's event will be the dedication of a memorial gateway at the main entrance of the school grounds, presented by Glenwood graduates and former students, to Edward B. Butler, president of the school for the past 31 years, in appreciation of his long period of service.

Mr. and Mrs. A. P. Thoms of 863 Lincoln avenue expect their daughter, Lorraine, home from the University of Wisconsin Thursday. She is a junior at the university. On July 3, Mr. and Mrs. Thoms, with Lorraine, Eugene, and James Stuart of Madison, will leave for a tour of Yellowstone Park. They expect to be gone about three weeks.
