

A HARD JOB

It's about as much of a job for a society climber to penetrate the "400" as it is for a Used Car to get access to our display floor. The car **MUST HAVE THE GOODS.**

Christian Science Churches

"God the Only Cause and Creator" was the subject of the lesson-sermon in all Churches of Christ, Scientist, Sunday, June 5.

The golden text was from Revelation 4:11, "Thou art worthy, O Lord, to receive glory and honor and power: for thou hast created all things, and for thy pleasure they are and were created."

Among the citations which comprised the lesson-sermon was the following from the Bible: "Whither shall I go from thy spirit? or whither shall I flee from thy presence? If I ascend up to heaven, thou art there: if I make my bed in hell, behold, thou art there. If I take the wings of the morning, and dwell in the uttermost parts of the sea; Even there shall thy hand lead me and thy right hand shall hold me" (Psalms 139:7-10).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "God is individual, incorporeal. He is divine Principle, Love, the universal cause, the only cheater, and there is no other self-existence... He fills all space, and it is impossible to conceive of such omnipresence and individuality except as infinite Spirit or Mind. Hence all is Spirit and spiritual" (p. 331).

Mrs. William G. Hibbard of 840 Willow road will leave Winnetka about July 1, to spend two months in Honolulu.

Charles Jacobs, son of Dr. and Mrs. Charles M. Jacobs of 860 Burr avenue, is expected home from Dartmouth June 16.

ON "CHILD GUIDANCE"

Pres. Edna Dean Baker Tells Alumnae of New Ideas About Discipline; Mrs. Phillips Is Re-elected

"Child Guidance," Miss Edna Dean Baker, president of the National Kindergarten and Elementary college, told the meeting of its national alumnae organization assembled there Saturday, "is a new term for something similar to the old 'control' and 'discipline,' yet different from these in many ways.

"It calls," Miss Baker said, "for a more thorough knowledge and understanding of the child's inheritance, environment and experience, and a determination to provide the right environment in the home, the church and the school, and, as far as possible, in the community."

Between 200 and 250 alumnae and student guests were present at the meeting. A processional of representatives of classes from 1896 to 1927 ended in the gymnasium where a picnic luncheon was served.

Mrs. Harry G. Phillips of Evanston, elected national president last year, was re-elected to office.

Red Cross Will Give Course in Life Saving

Evanston supporters of the activities of the Chicago chapter, American Red Cross, of which the local organization is the Evanston branch, are interested in the course of study to be featured at the Red Cross life-saving institute to be held June 16 to 25 at Lake Lawn, Lake Delavan, Wis.

Life guards, physical directors and Boy and Girl Scout leaders will attend the institute. Its announced aim is to make "everybody a swimmer—every swimmer a life saver."
