**Scouts Vote to Continue
With Meetings in Summer**

At a meeting held on Thursday, June 2, Scouts of Troop number 1 voted to continue throughout the summer with their regular weekly meetings. No regular program will be observed but the gatherings will be for the purpose of having a good time and passing tests as desired.

Nothing less than "indecision" was the result of the baseball game played at the preceding week's meeting between Troop 1 and Troop 4. Inasmuch as the teams exchanged positions and players each inning, the final scores were more or less a "community affair" and both sides were accorded the pennant. Troop 4 is composed of new scouts and was only recently organized.

Plans are being made for several hikes during the summer months and an opportunity will be offered to the boys to pass tests and work on Merit badges. The council will not meet, however.

Mr. and Mrs. Hans Magnus, and their son, Alexander, of 1141 Chatfield road, Hubbard Woods, leave Sunday for an Eastern motor trip. They will spend six or eight weeks in Atlantic City and Washington.

Mr. McLaughlin accompanied his wife to Kenilworth and then left for San Francisco, where Mrs. McLaughlin will join him later. Miss Marion Eckhart also arrived at home, having completed the year at Miss Madeiras school, and Miss Charlotte Eckhart has just returned from a trip abroad.

Mrs. Edmund Stevens, formerly of Kenilworth and now of the Georgian hotel in Evanston, is entertaining at a luncheon and bridge today at the Georgian.

Howard Jordan was host to twenty little boys and girls at a dinner party on June 4, in his home, 320 Cumberland road, Kenilworth.

**Early Service for
Congregationalists
Gets Wide Acclaim**

An article published locally a few weeks ago concerning the early morning service of the Wilmette Congregational church was picked up by the Associated Press with the result that practically every newspaper in the country served by that organization has carried the story in some form.

Dr. Stephen A. Lloyd, pastor of the church, has just returned from a meeting of the National Council of Congregational churches held in Omaha, Neb., and reports that delegates from all sections of the country met him with an inquiry about the service, notice of which they had seen in their local papers. Roger Babson, speaking before the council, gave a section of his address to the discussion of this service.

Copies of the announcement have been sent to Dr. Lloyd by friends as far away as Portland, Me., Seattle, Wash., Los Angeles, Cal., and St. Petersburg, Fla., as well as from New York, Boston, Cleveland, Denver, and intermediate points.

The service referred to is held each Sunday morning at 8:15 and is practically a duplicate of the regular 11 o'clock service. It is intended to meet the summer needs of all people of the town who for any reason find it impossible to attend the later service.

**Greeley Children Present
Play With English Theme**

A three act play, "The Daring of Renwick," was presented last Friday by the pupils of the two sixth grades of the Greeley school. The plot of the play deals with the relationship between the townspeople, or burghers, and the nobles in the Thirteenth century in England. The situation evolving from conditions imposed upon the burghers during the reign of Richard the Lion Hearted, as presented in the play, causes the burghers to revolt against their over-lords and in return for financing a Crusade to demand a Charter of freedom.

The Home and Garden club, a well organized group exemplified of fine interest in landscape improvement being developed along the north shore, met on Tuesday, May 31, and visited the Morton Arboretum at Lyle, Ill. On the way out the members stopped in Hinsdale and had luncheon at the home of Mrs. Essley. At the Morton Arboretum are specimens of trees from all over the world.

Col. and Mrs. N. L. Howard of 715 Sheridan road left yesterday to spend about a week in New York and at West Point. They will attend Col. Howard's class reunion at West Point and will also see the commencement exercises.

Mr. and Mrs. George S. Wood of 979 Vine avenue and Mr. and Mrs. W. H. Gruver of 835 Locust street have returned with a good catch of fish from Little Lake St. Germaine. They motored to Eagle River, Wis., for a week's vacation.

Richard Johnston, son of Mr. and Mrs. Richard C. Johnston of 321 Melrose avenue, Kenilworth, returns the early part of next week from Dartmouth. He will attend summer school at Northwestern this summer.

Dr. J. W. F. Davies was the principal speaker Friday night, June 10, at the commencement exercises of the Congregational Training School for Women, in Chicago.
