

TOUGH TIRES—^{At} Easy Prices!

It's the contrast between high mileage and economical cost that makes Silvertowns stand out!

That tough tread is just as much at home on the trails you follow on vacation trips as it is on the boulevard.

And nothing saves as much time—or as much money—as tires that get you to the end of your trip without a stop and without a thought.

For vacation or business—this year and next year—buy Silvertowns now.

More mountains climbed, more inspiring scenes found

There are millions of motorists on tour this month—and the ones that climb the mountain trails on Silvertowns are going to get extra service, make more trips, because there is extra toughness and added mileage in every Silvertown.
