Annual Field Meet Held at Hubbard Woods

The annual field day and picnic of the Hubbard Woods school was held on the Skokie Playfield Thursday, June 16; the children of the school engaging in various contests and passing athletic tests. Among the events which were participated in by the pupils were the 50 yard dash, standing broad jump, ball throw, knee raise for girls and chinning for boys.

A perfect record was made by six of the contestants in the athletic tests, passing all events with a 100 percent score. These were as follows: Jane Waidner, Susan Ballard, Marion Barber, Sandford White, Albert Clayton and John Houser.

First places in the different heats of the 50 yard dash were awarded to John Hausler, Dick Bubbett, John Conrad, Billy Duncan, Clarence Dahl, Eric Lindahl and Whitlock Duncan among the boys, and to Jane Alley, Mary Maistrovich, Helen Maistrovich, Marion Barber, Phebe Sells and Jane Ellise in the girls' races.

In the baseball games between the different rooms, the two sixth grade teams emerged the victors over the two fifth grades and the fifth grade team was also downed in a tilt with the fourth graders.

It seems as though the outcome of the Kentucky derby didn't by any means quench the racing fever among the members of the faculty for among the events on the afternoon's program was listed a marathon for the teachers. The title of Atlanta and the prize Laurel branch were accorded to Miss Esther Robinson by the judges.

Farewell Gifts Presented to Miss Marion Carswell

A farewell luncheon was given at the Hearthstone tea room by the teachers of the Hubbard Woods school last Wednesday in honor of Miss Marion Carswell, principal of the school, who is leaving shortly for a year in Geneva, Switzerland. Miss Carswell was also presented with an appropriate gift by the members of the faculty.

During the assembly period at the school earlier in the week, the pupils presented Miss Carswell with a traveling clock as their contribution to what promises to be an exceedingly interesting year abroad. Albert Clayton and Clarence Dahl were selected by the children to make the presentation.
