

Plenty OF HOT WATER
FOR EVERYBODY WITH
THIS 1927 MODEL HEATER

THE *New*
Pittsburg
WATER HEATER

Upstairs, downstairs, you've always got hot water. It never gives out—it never needs attention. Light the new Pittsburg the day it's installed—and it will guarantee you constant hot water because it's automatic. It's low priced—in fact it's so inexpensive that for once it's not a question of "can we afford it" but "how soon can we get it?"

\$20.00 allowance on your old Water Heater towards the Purchase Price of one of these Pittsburg Storage Heaters.

This sale closes Saturday, July 2.
