GO TO SUMMER HOME

Mr. and Mrs. Gustav J. Nickel, 140 Bertling lane, and their family have gone to South Haven, Mich. for the summer. During their absence Mr. and Mrs. Thomas Winde of the Belden hotel will occupy their home.

Mrs. William Benoist and her daughter, Myra Lee, of 386 Fairview avenue, have gone to Douglas, Mich. They will be joined there by Edmund, who has been at Dartmouth college this year.

 Opera Material**

The Winnetka public library is rallying all its books on operas and their makers, and librettos are being marshalled, in order to be in readiness for the opening of the Ravinia Opera season.

Among the librettos recently added to the Library shelves are old favorites such as "Pagliacci" and "Madam Butterfly," as well as a number of less familiar ones such as "La Juive" and "Madam Sans Gene."

It is hoped that this collection of librettos is only a beginning—a nucleus of what may become a Music department in the library, and that it will increase yearly to keep pace with the ever-growing interest in music shown by the people of Winnetka.

Weekly programs of the Ravinia concerts and operas will be found for distribution at the public library.

Miss Dorothy Dickinson, daughter of the Frederick Dickinsons of 1228 Scott avenue, has returned to Winnetka from Smith college. She will leave soon with her mother for their summer cottage at Charlevoix, Mich. Mr. Dickinson will join them in August.

Mrs. Ossian Cameron of 548 Cherry street will leave Wednesday with her sons, Ossian and Alan, for Montreal. They will sail on Friday to spend the summer in Europe. Ossian has just returned from Lake Forest academy.

The state hard roads of Illinois cost \$40,000 per mile, including construction, grading and bridge-building.
