

**Highwood Scouts Do Good Turn**

It has been more or less of a custom in Highland Park for the Scouts to put up the town's flags on holidays. When on Flag Day this year, (June 14), the Highland Park leaders were hunting for Scouts to do this work it was discovered that school was still on, which would make it hard for the boys to get off. However, in the nearby town of Highwood school had closed, and when the Scouts there heard of the predicament of the Highland Park Scouts they volunteered to put up the flags for Highland Park. They did this service and went so far as to take them down again in the evening. Such troop good turns as this one by Troop 37 are what make for a permanent friendship between towns and Troop 37 of Highwood deserves the thanks of their brother scouts in Highland Park.

**Glencoe Scouts Have Treasure Hunt**

Troop 22 of Glencoe, Raymond Fogg scoutmaster, held an exciting treasure hunt on the evening of June 16. A number of land marks were chosen as key points and instructions were hidden at these places which told where to go next when they were deciphered, but it sometimes took the Scouts several minutes to figure out for instance, the "direction of the Japanese Flag"—which of course is the symbol of the rising sun and would mean toward the east. When the Scouts who first arrived at the treasure saw that it was a big cake, baked by the scoutmaster himself, they voted the hunt very much worth while. Of course they gave the losers a taste of the cake we presume, as a Scout is generous.

A large number of north shore Boy Scouts have enrolled for the first period at Camp Checaugau, beginning June 27 and ending July 9. These Scouts and those others who have en-

rolled by the end of this week, will leave for camp on a special train on the North Shore line early Monday morning, June 27.
