

### Lee Says:

ONE blamed little chigger HAS a body no bigger THAN the point of THE smallest pin, BUT the welt that he raises ITCHES like blazes, AND that's where the RUB comes in!

STATISTICS show that THE chiggers around WINNETKA are larger and MORE active than the ORDINARY varieties—they FEEL like it, anyhow— BUT we've got the GREATEST thing for CHIGGER relief that was EVER invented—it's our SKEETER-SKARE made FROM vegetable Oils, ACTUALLY more ANTISEPTIC than CARBOLIC acid, but DOESN'T smart or burn a BIT—apply it to a CHIGGER bite and the ITCHING stops promptly AND infection is avoided. LAY in a supply for your NEXT picnic, or keep some IN the house for emergency USE—it's great for MOSQUITO bites.

Mr. and Mrs. Charles R. Jacobs of 368 Elder lane are entertaining in honor of their daughter, Lucile, at a dinner tonight at the Sunset Ridge Golf club. The dinner will precede the club dance, and the guests are school friends who are being entertained before their departure on summer vacations.

### Wheaton Garden Club in Annual Flower Show

The Wheaton Garden club will hold its Third Annual Flower Show today at the Episcopal Guild hall from 2 o'clock in the afternoon until 10 o'clock in the evening.

The committee is making several innovations in this year's program inasmuch as the show has developed into a serious civic project rather than a spectacular flower display. The club is seriously trying to help raise horticultural standards in its vicinity and to encourage the study of landscape architecture as applied to the small garden. The space that has hitherto been devoted to table arrangements will be given over to a competition for perfection in flowers, and the stage of the hall which has formerly been arranged as a pleasant garden corner will be devoted to a serious architectural example of a terraced formal garden. The emphasis will be placed not on floral beauty, but on the proper principles of landscape gardening.

There is no garden club in this part of the country working with a more serious purpose than the Wheaton club, and it is hoped there will be a large attendance of people who are interested.

### MacDowell Society Holds Art Exhibit at Final Meeting

The last meeting of the North Shore MacDowell society for the present season was held last Tuesday night at the North Shore Montessori School in its new building on Cherry street in Winnetka, with Miss Dorothy Sears, the school president as hostess assisted by her sister, Miss Helen Sears.

The evening was given over to an exhibition of the pictures by the well known artists, Mr. and Mrs. Frank Peyraud, who were the guests of honor. The pictures were hung on the walls of three of the largest of the rooms of the school which proved to be an ideal setting and background for an art exhibition. There were twenty-five canvases of all sizes from the brush of Mr. Peyraud and eleven portraits by Mrs. Peyraud. The subjects of Mr. Peyraud's pictures ranged from scenes from the Skokie and Ravinia to those from Switzerland, where the artist recently spent over a year painting near his former home at Gruyeres. One particularly beautiful canvas, "Sunset on the Alps," created great comment as did a large vivid autumn landscape from Ravinia.

Mrs. Peyraud's portraits were done in her usual charming manner and represented portraiture in its modern phase; especially in the home portraits of Mr. and Mrs. George Miles in the sunny breakfast room of their Ravinia home and that of Mr. and Mrs. Hans Hess in their music room, Mr. Hess with his cello and Mrs. Hess at the piano. The portrait of Mr. and Mrs. Miles was featured at the Sesqui-Centennial. Other interesting portraits of Mrs. Peter Johanson, Miss Geraldine Kuehnstaedt and Mr. John Robertson were included in Mrs. Peyraud's display.

During the evening Mrs. Peyraud spoke very informally on pictures and some French songs were delightfully sung by Miss Esther Wood with Mrs. Nina Fitch Bailey at the piano.

In the absence of President Ambler of the North Shore MacDowell society, the vice president, Mrs. Dwight C. Orcutt of Glencoe presided at a short business meeting preceding Mrs. Peyraud's talk and the annual election of officers for the coming season. There was an excellent attendance at this very delightful meeting.
