

## North Shore a Championship Course

(Continued from Page 21)

we'll tell the world we got it. We didn't lease it. We bought it."

"Must have taken some real money to swing the deal," I horned in.

"Sure it did," said Mr. Kuhl.

Mr. Kuhl didn't say that it was bought on "velvet," but that is the most important feature of this story.

"When we sold our lease on Lake street we made enough money to buy the acreage which you are visiting today," concluded Mr. Kuhl.

### A Picturesque Spot

It would be hard to imagine a more picturesque spot than North Shore. There they have built a pretty and spacious clubhouse. The club which started back in 1909 with 190 members

Don Morrison, Pro.

now has a membership of 300. Like many other clubs of the north shore the membership is limited to that number.

The club, of course, has a bonded indebtedness. But it is pointed out that by the process of systematic reduction that indebtedness will be cleared at the end of sixteen years. When the new North Shore club was built four years ago an obligation of \$150,000 was shouldered. This is being paid off annually at the rate of \$7,500.

North Shore is known as a championship course. They say it is one of the hardest courses to negotiate in the Chicago District. It is 6,772 yards in length and trappy. Par is 72 and just as evidence of its toughness it is only

### McHenry Legion Post to Stage Fourth Fete

Members of the McHenry Post No. 491 of the American Legion will stage a six-day entertainment and celebration over the Fourth of July holidays at Fox River Pavilion park, McHenry, 45 miles northwest of the north shore, for the benefit of the post building fund.

The celebration will begin June 29, and continue to and including July 4. The daily and evening programs will include games, rides, dancing, and concerts, with Johnny Constantine and his "Rhythmic Kings" providing the music.

On Saturday, July 2, and Sunday, July 3, the afternoons will be devoted to entertainments for children, with races and games for boys and girls.

necessary to state that no player—that includes the pros—has shot it in par figures.

### Stroke Lost Is Lost

One of the members contributes this information: "When a fellow loses a stroke on this course, he never gets it back."

Earl R. Green is the club champion. But there are others who rate as stars, among them being William D. Fowler, who is a 3 handicap man. Harry Wolf, F. Snow, W. Thiebault, H. H. Harrison, C. E. Driver and Victor B. Scott. Six of these play in the seventies.

Mrs. Homer H. Harrison is the woman champion. Among other stars are Mrs. A. D. Collins, Miss Janet Byrnes, Mrs. Ralph Boozer, Mrs. H. P. Saunders and Mrs. H. D. Fargo. Par for women is 84, we are told and none has ever equalled it.

Donald (everybody calls him Don) Morrison is the professional. This is his fourth year with the club and they say he's a fine teacher. He occasionally contests in the big open tournaments, but so far hasn't grabbed off the big honors. But he has hopes.

It becomes a bit monotonous to write about the social side of affairs at north shore clubs. The democratic spirit is evidenced everywhere I go. However, I am told a little paper called "Short Putts," which is published once a week, promotes much of the spirit of friendliness.

### Women Enjoy Card Games

The women of North Shore know how to enjoy themselves when not tracking the links after the elusive pill. Of course they have their own day on the course, which is Friday. Wednesday afternoon is the time of card parties. Mrs. Charles E. Driver is chairman of the Golf committee, and others on the committee are Mrs. C. E. Barrows, Mrs. H. D. Fargo, Mrs. E. R. Green, Mrs. F. G. Hipp, Mrs. J. D. Peterson and Mrs. G. D. Wolf.

Mrs. H. H. Kuhl, who is chairman of the card committee, we are informed, has reported as many as 150 players at an afternoon session at the tables.

Dinner dances are a big feature. There is dancing on the roof when the weather permits.

The officers of the club are: president, Frank R. Borchers; vice-president, William J. Spillane; treasurer, Charles E. Driver; secretary, Clair Taft.

Just as evidence of the welcome we received at North Shore we'll state that Don Morrison, the pro, invited us to play around. We declined with thanks, the reason being that we never show "our game" to a pro. Why should we make him unhappy?

(Next week—Skokie)

Prizes will be awarded the participants in the games and races.

All proceeds from the celebration will be used toward erecting a new clubhouse for the McHenry post.

### BAHAI MEETINGS

Every Sunday afternoon at 3 o'clock Bahai teachings and principles are expounded in the studio of Louis Bourgeois, architect, 536 Sheridan road, Wilmette. Wednesday evenings at 8 o'clock a study class meets at the home of Mr. C. P. Christensen, 1138 Oakwood avenue, to which the public are welcomed. Authenticated text-books are used. These gatherings are informal.

Fred Fairman, Jr., of 600 Ash street leaves early in July for Bear Tooth ranch, in Columbus, Mont.
