### Beauty Lies in Healthy EYES

It's not so much the size or color of the EYES that makes them beautiful. Rather, it's the glow which radiates from them. Unless kept always clean and healthy, EYES lack this alluring lustre.

Millions of women throughout the world promote EYE health and beauty with Murine. It cleanses EYES of irritating particles and keeps them clear and bright. Contains no belladonna.

Our illustrated books on "Eye Care" or "Eye Beauty" are FREE on request.

The first performance will be given July 6, and the company's repertoire will include such plays as Halman's "Will o' the Wisp," Steele's "Ropes," Synge's "Riders to the Sea," Chekhov's "The Proposal" and "Jubilee," Middleton's "The Grove," Gorky's "Chelkash" and "Passions, Passions," Kelly's "The Flattering Word," and others.

Ivan Lazareff is director of the theater group. He is an artist of the Moscow Art theater and director-founder of the Maxim Gorky studio in Moscow. The theater's ultimate aim is to choose among the student artists in training a permanent producing company that will carry on the influences left in America by the Moscow Art theater. ### The Taste is the Proof of Goodness

We have a long story about Borden's milk.

How it is produced on the farm; immediately cooled — kept cool on its trip to our bottling plant — kept cool on our delivery wagon — delivered to you cool and in perfect condition.

But all this story is summed up in our phrase at the top, "The taste is the proof of goodness."

Only by taking the extreme precautions that we do, can milk be delivered at its best, and the test of taste is the proof of goodness.

Call in the Borden Milkman in your neighborhood and arrange for service.
