Yacht Club Races Feature Program for July Fourth

A Fourth of July holiday feature of the Sheridan Shore Yacht club will be an elimination race with Columbia stars. In the series of club races which are being run off, there will be a special feature relay race on July 2, and on July 3, an elimination race.

There will be special prizes for each race in the series, which began on June 4 and will continue until September 5. There will be a special cup awarded for the winner of each of the three series, and a grand prize for the winner of the entire series. The men who compose the committee in charge of the races are Kingsley L. Rice and Sam G. Goss, while the regatta will be managed by Jay H. Twitchell and Charles H. Pajeau.

The race on the Fourth of July, which starts from the Wilmette harbor, will be witnessed by thousands of holiday picnickers, who will be gathered at Washington park on the lake front for the Fourth of July celebration.

Mrs. F. E. Miller of 453 Adams avenue, entertained a group of friends of Miss Jane Mackay in her honor, Friday afternoon, June 3, from 4 until 6 o'clock. Miss Mackay, who is a teacher in the Glencoe Public schools, will spend this coming summer in France.

Take things a bit easier these Hot Days! Why dress for the market? Why swelter in line waiting for serving? Why lug your purchases home in the Hot Sun? It's wasted energy and a false theory of economy.

In the cool of your home you can bring our whole store to you . . . over the phone. Our courteous, experienced grocery men will select your orders with trained precision . . . and it will be delivered to your door.

A SUMMER SUGGESTION:

- Richelieu Boned Chicken — Yum Yum Pickles*
- Sardines — Sandwich Spreads — Tartar Sauce*
- Olive Spread — Pale Dry Gingerale*
- Dressing for Salads*
- OLIVES**
- Spanish, Queen, Pimento Stuffed and California*

You would be surprised to know how many of your neighbors have found that it is not economical to shop around and now depend solely on us for their groceries.

A trial of our service will prove that it is more economical to trade "where you are known and catered to."
