

Winnetka Trims Waukegan With 10 to 2 Score

In the best played game of the present season, the local baseball team defeated the Waukegan Colored team by a score of 10 to 2. This makes the second victory in a row for the locals, and the fifth win of the year.

Although the score indicates an easy victory for the Winnetkans, the game was really hard fought, and for the first seven innings resulted in a pitching duel between Aschenback, local twirling ace, and Cunningham, Waukegan Southpaw.

The locals hopped to a one run advantage in the first inning, by scoring two in their half while Waukegan scored but one. From this time until the seventh both sides waged an interesting battle, Waukegan managing to push the tying tally across the plate in the sixth inning. In the home half of the seventh the locals decided to put the finishing touches on Cunningham. Luchessi singled, Runnfeldt walked, and Aschenback singled one run across. Brown then lofted a high infield fly to the short stop, after much hesitancy as to who was to catch it the ball fell safely scoring two more runs.

Again in the eighth the locals again rushed runs across pushing the total up to ten.

Manager Flynn has booked two good games for the holidays. Northbrook will be met on the local diamond tomorrow. This game will settle a hot dispute for supremacy. Last year Northbrook managed to walk away with two close decisions. Their expectations are running high again this year, and this game will no doubt be one of the best games that will be played at the Playfield this year. Tomorrow at three o'clock at the Playfield.

On Monday the fourth of July, the local nine will travel to Glencoe to play a return game. Although the locals were defeated in their last engagement with Glencoe, an entirely new team will face them at this time. "Luke" Johnson the premier slugger of the Big Ten conference will be playing short stop for the locals, along with Mellick and Izard, other Northwestern baseball stars. This game will be run off in the morning, ten thirty, at the Glencoe diamond which is located on Green Bay road and Bluff street. This game will doubtless be the biggest game of the year, and a large number of local fans are expected to be up in Glencoe cheering for a Winnetka victory.

Sunday, July 3, at the Playfield at three o'clock, Winnetka will play Northbrook, and Monday, July 4, they will encounter Glencoe at 10:30 a. m.

Chicago Motor Club Gives Helpful Hints About Tires

With the touring season now at its height, the mechanical first aid department of the Chicago Motor club issues a few timely hints on the care of tires. A large proportion of car owners consistently neglect their tires. It might be supposed that the makers of tires would with good reason rejoice in this fact. Instead, however, they have gone to some trouble and expense through their organization, the Rubber Association of America, to put before the car owner correct information about their product and how to get the longest possible life out of it. The Association points out that the chief factor in the life of any pneumatic tire is the air contained within it.

Under-inflation destroys more tires than any other one factor. It causes rapid tread wear and fabric breaks.

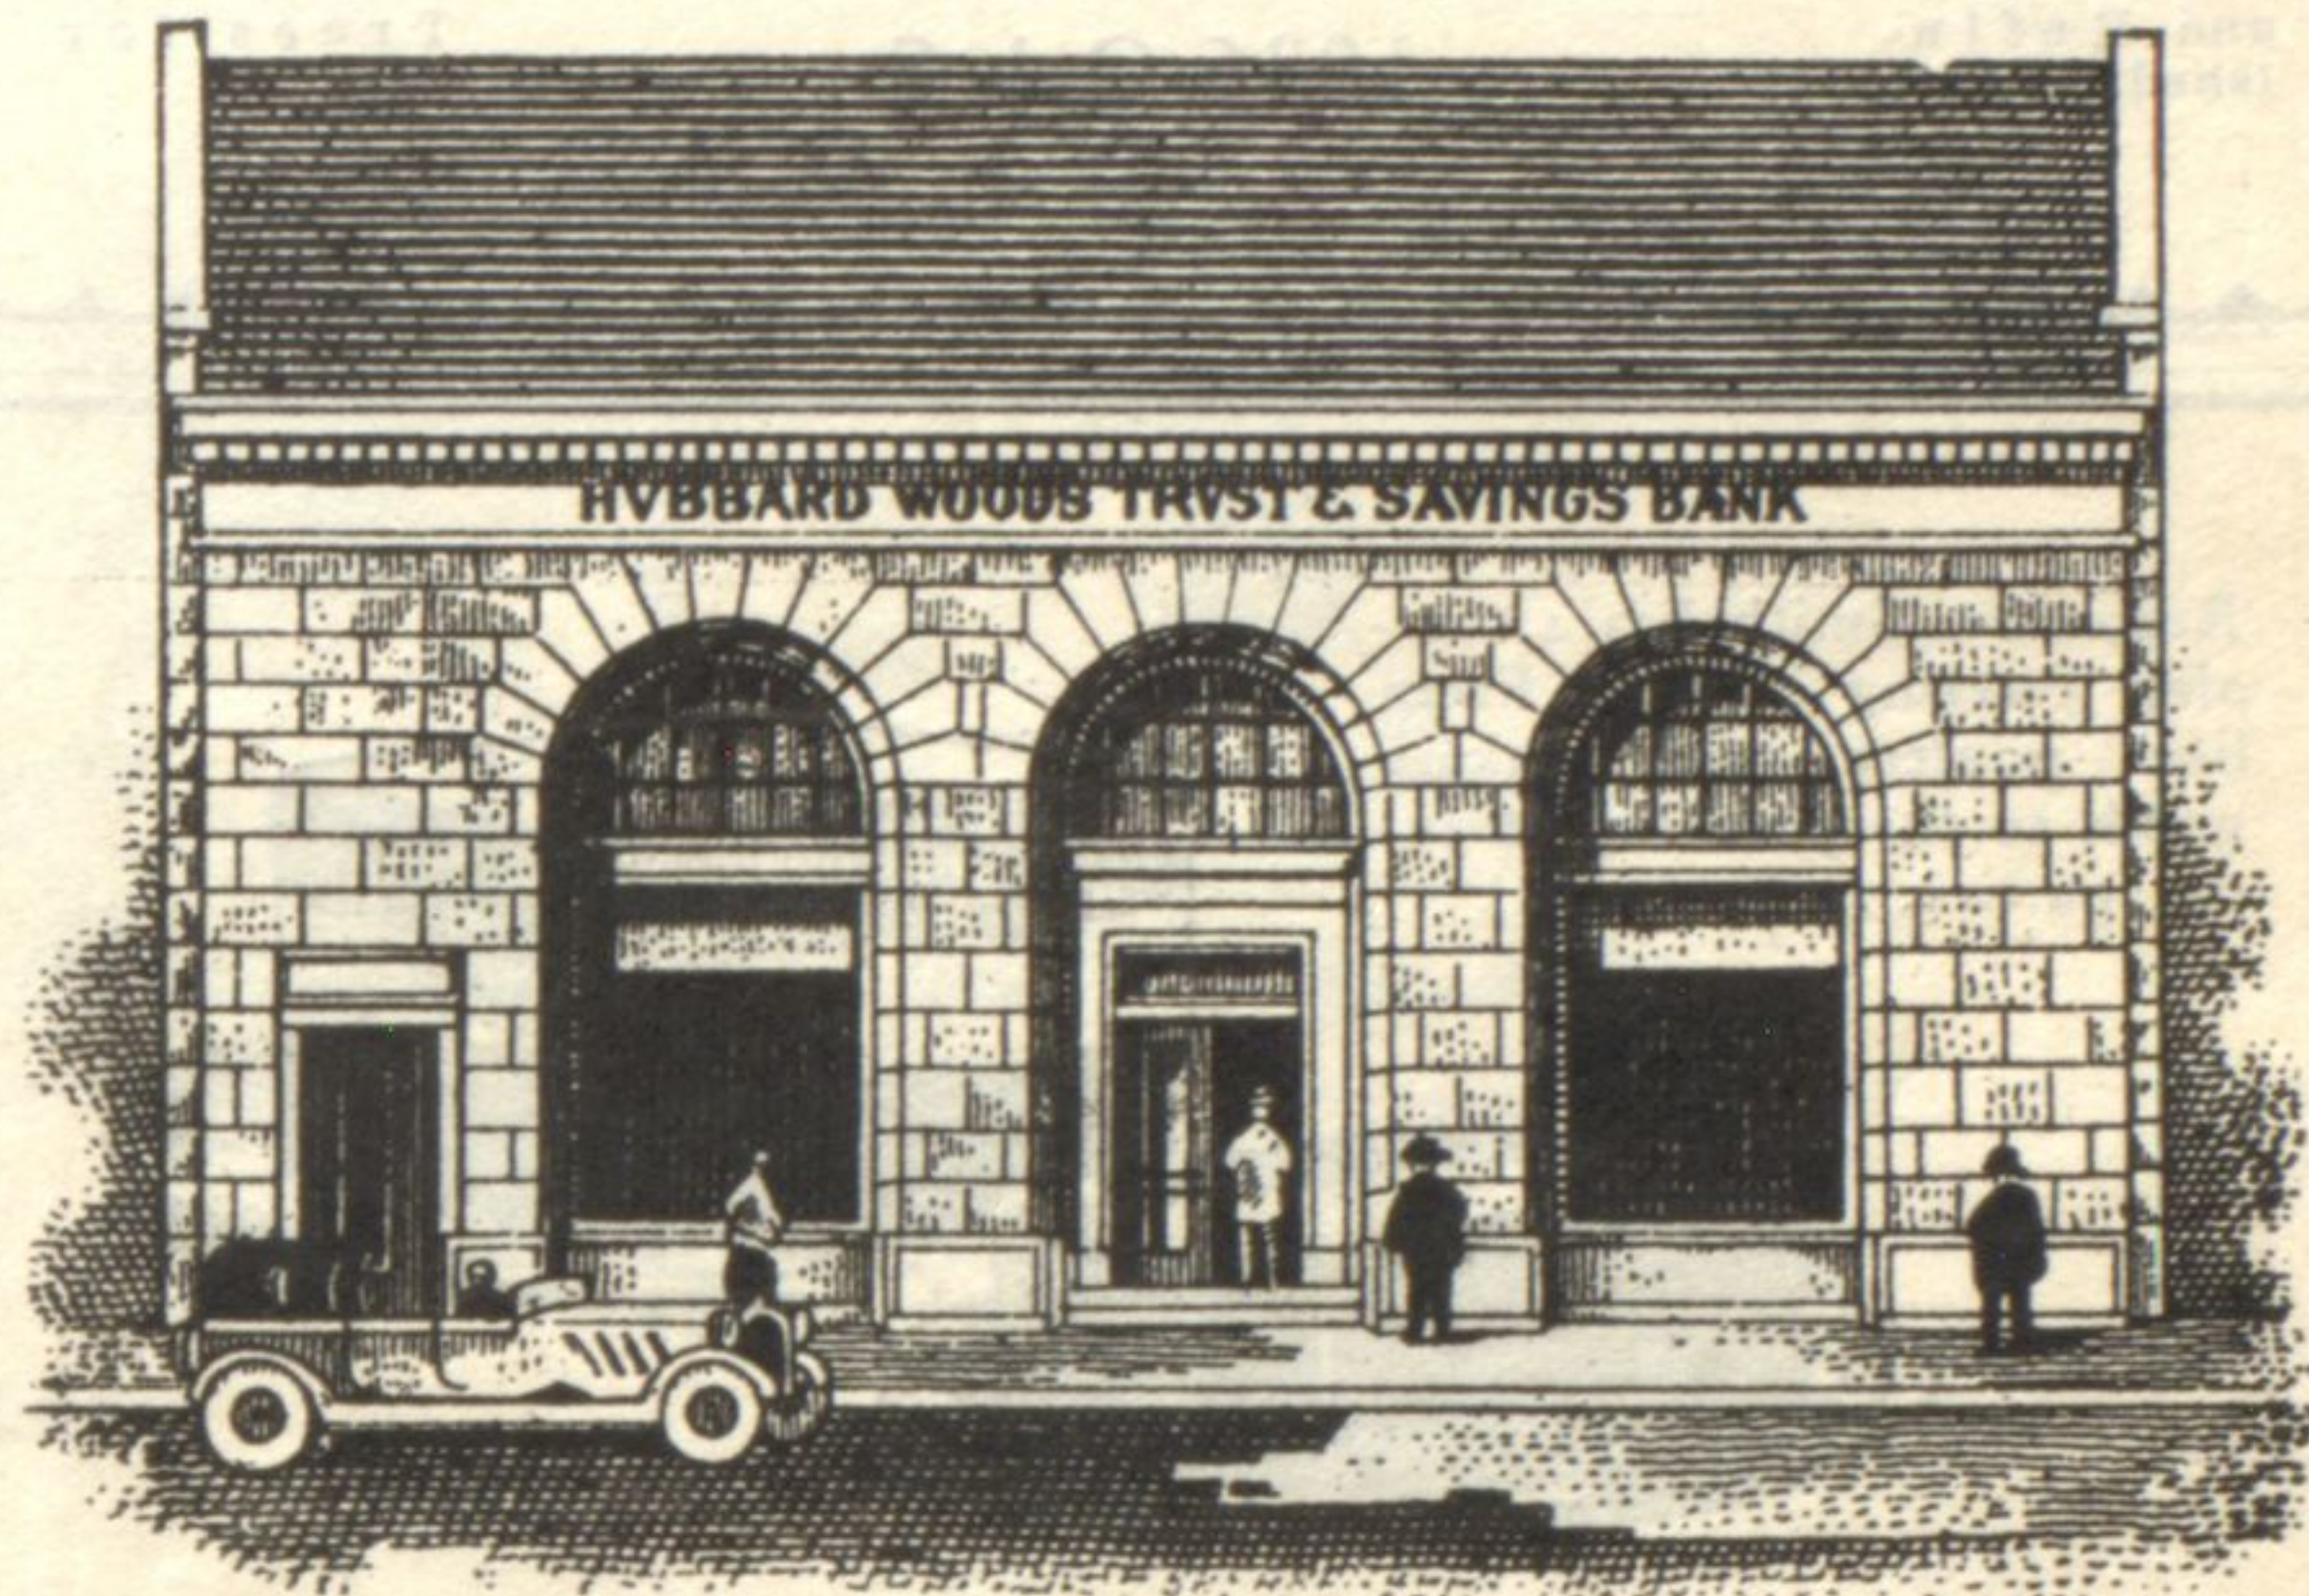

When a casing is run flat or much under-inflated, the extreme twisting literally tears the tire apart.

The remedy for most tire troubles is proper inflation. This means maintaining the correct pressure at all times. A drop of more than three pounds in a balloon tire before inflation will cause any or all of the serious results of under-inflation. See that the nut at the base of the valve is tight and that the valve inside is firmly screwed down. Do not guess at the pressure. Always use an air gauge, making certain to get a balloon tire air gauge for balloon tires.

VISITING WITH PARENTS

Mr. and Mrs. H. K. Humphrey of Houston, Texas, are visiting Mrs. Humphrey's parents, the Max Meyers of 817 Cherry street. They will be in Winnetka until the middle of September.

Mr. and Mrs. F. G. Wright, Miss Lora Wright and Mr. Norman B. Wright are occupying the Harry Curtis house on Greenwood avenue, Glencoe, for the summer. Mr. and Mrs. Curtis have gone to their summer home in Leland, Mich.

Independence!

It's an old, old story yet it's always worth repeating . . . this telling you to strive for FINANCIAL LIBERTY! It should be the aim of every foresighted, right-thinking man and woman! For, there is no contentment so great . . . no happiness so complete as knowing that you can face the uncertainties of the future without a financial worry!

If you haven't started your battle for financial independence, get going now! Open a SAVINGS ACCOUNT with us today!
